AY:2026-27

Name of Activity	State Level Competitions on the Occasion of Engineers' Day
Academic Year	2026–2027
Department	Department of Information Technology
Institute	MET's Institute of Technology Polytechnic, Nashik
Date	15th – 21st September 2026
Venue	Online
Level	State Level
Total Participants	
Co-Coordinator	Ms. V.R. Patil , A.S. Chatur

2. Competitions Conducted :

Sr. No	Competition	Coordinator(s)	Participants
1	Online Quiz Competition	Mrs. Anumeha Lal & Mrs. P. M. Takate	140
2	Logo Designing Competition	Mr. C. S. Mogare & Mrs. A. A. Ugale	43
3	Reel Making Competition	Mr. S. R. Gaidhani & Mr. V. A. Yeole	13
		Total	**196**

3. Objective :

To celebrate Engineers' Day and provide students with a platform to demonstrate their technical knowledge, creativity, innovation and digital skills through various state-level competitions.

4. Activity Description :

The Department of Information Technology organized State Level Competitions from 15th to 21st September 2026 in association with the IEI Polytechnic Student's Chapter. Three

competitions—Online Quiz, Logo Designing and Reel Making—were conducted. Students participated enthusiastically and showcased their technical and creative abilities.

Applicable POs :

PO No.	POs	Reason
PO2	Problem Analysis	Students apply analytical thinking and technical knowledge while participating in quiz and problem-based competitions.
PO3	Design/Development of Solutions	Students develop creative and innovative solutions through logo designing and reel-making activities.
PO5	Society & Sustainability	Students develop awareness of effective communication and responsible use of technology through digital activities.
PO8	Individual and Collaborative Team Work	Students demonstrate individual participation, creativity and collaborative skills through various competitions.
PO9	Communication	Students effectively communicate and present their technical and creative ideas through digital content .
PO11	Life-Long Learning	Students explore new technologies, enhance their digital skills and develop an interest in continuous learning.

Applicable PEO's :

PEO No.	PEOs	Reason
PEO I	Knowledge & Career Growth	Enhances students' technical knowledge, creativity and overall professional development through state-level competitions.
PEO II	Software & Hardware Skills	Provides practical exposure to digital tools and technologies through quiz, logo designing and reel-making activities.

PEO III	Design & Programming Skills	Develops creative design, digital content creation and technical presentation skills required for professional growth.

Applicable PSO's :

PSO No.	PSOs
PS01	**Modern Information Technology:** Students develop skills in using modern digital technologies and applications for creative content creation, designing and information presentation.
PSO2	**Information Technology Process:** Students apply information technology tools and processes to participate in online competitions and effectively present technical and creative ideas.

5. Outcome :

The activity encouraged creativity, technical knowledge, innovation, digital skills and healthy competition among students from different institutes.

8. Conclusion :

The State Level Competitions were successfully conducted with enthusiastic participation from students, providing them with an opportunity to showcase their knowledge, creativity and innovative skills on the occasion of Engineers' Day.

Ms. S. P. Pathak	Mr. C. S. Mogare | Mr. V. A. Yeole	Mr. S. B. Patil
