YEAR: 2015-16

Date	Activity	Topic	By Whom	For Whom	Remarks
27/01/2016	Institutional Training Programme	“Clean & Green Energy Initiatives”	Mr. Sachin Deshpande & Mr. Pramod Dasputre	IEI Members	

❖ WHY WAS ECA2001 ENACTED?

-Wide variation in energy consumption co-efficient among different units in the same industry using comparable technologies

-Also energy intensity of Indian economy is very high in comparison with developed countries and Asian and world averages

- 3.7 times of Japan
- 1.4 times Asia
- 1.5 times of USA

Welcome for the Celebration of IIE FOUNDATION DAY
