

NATIONAL CONFERENCE ON RECENT TRENDS IN MECHANICAL ENGINEERING RTME 2013

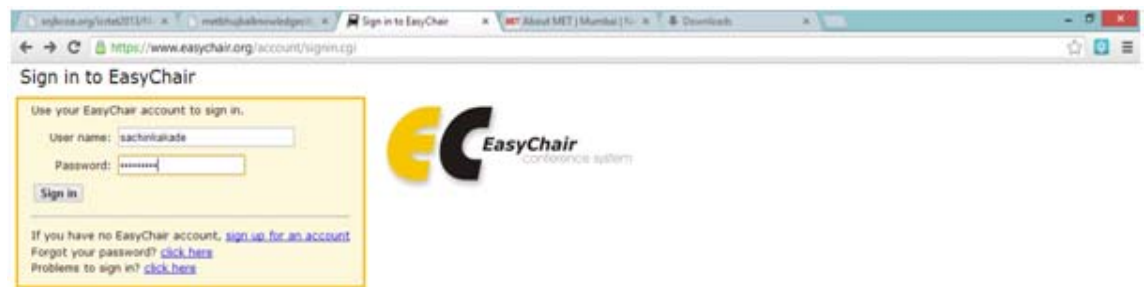

This conference is using “EasyChair” to the online submission system.
Please submission in accordance with the following tutorial.

1. Please access to the EasyChair Login Page for RTME 2013.

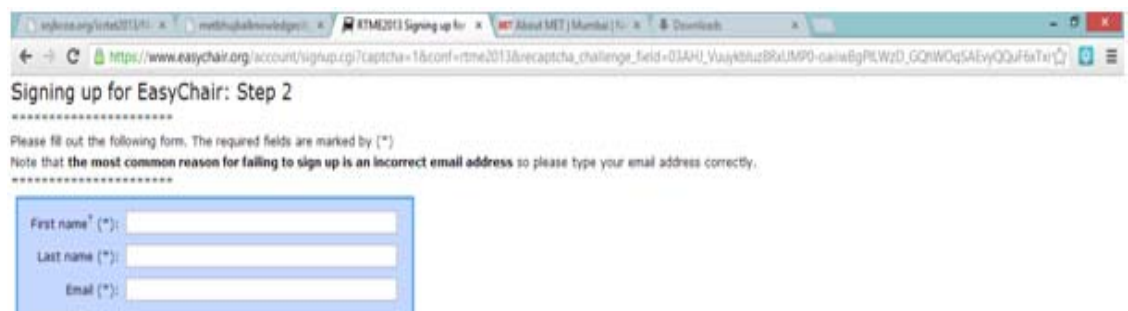

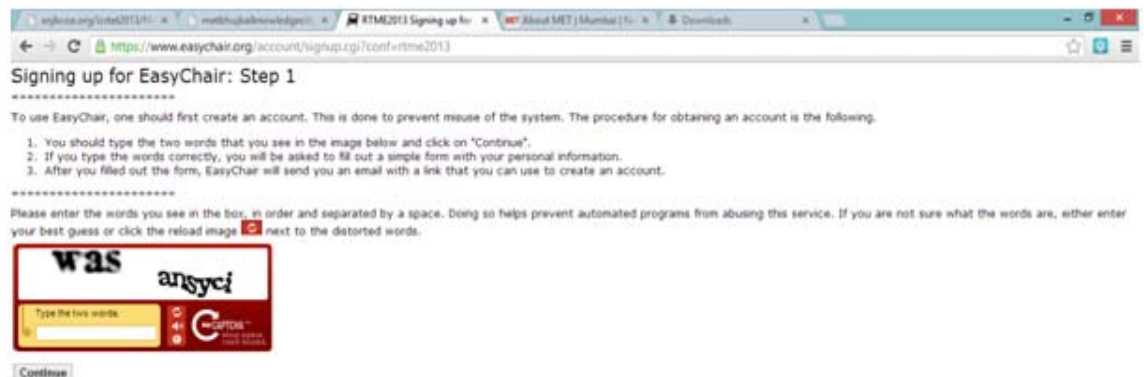

<https://www.easychair.org/account/signin.cgi?conf=rtme2013>

2. Create a new account by clicking “Sign up for an account”.

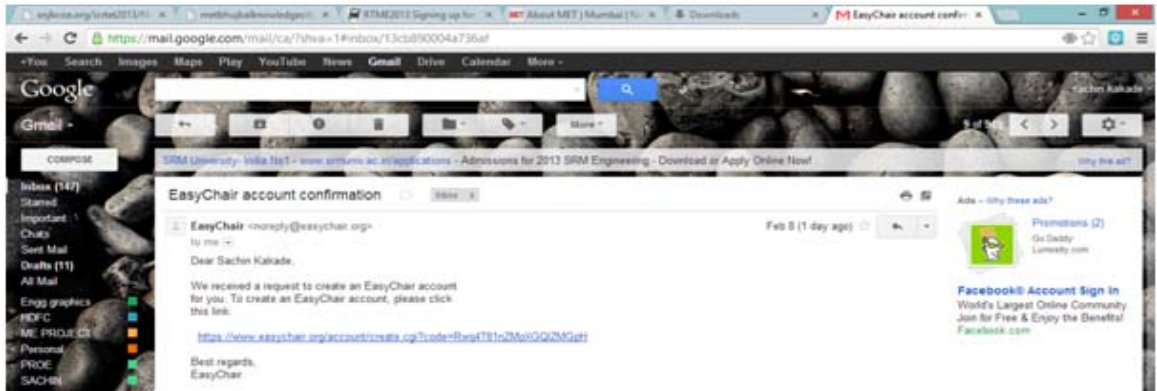

* If you have "EasyChair" account already, go to step 6.

3. Fill in the generated words, click Continue to be taken to a form requiring a valid e-mail address.

4. You will then receive a confirmation e-mail. To continue, click the embedded link.

5. Complete the sign-up process by filling out your account information and clicking create my account.

6. You will then be shown a confirmation and be given a link returning you to the sign-in page (from step1).

<https://www.easychair.org/account/signin.cgi?conf=rtme2013>

Sign in with the user name and password you provided in step 5.

7. Click “New Submission” for upload your abstract.

8. Select a Track

The screenshot shows a web browser window with the URL https://www.easychair.org/conferences/submission_new.cgi?i=3047706. The page title is "RTME2013 (author)" and the breadcrumb is "New Submission RTME2013 EasyChair". The main heading is "Select a Track". Below the heading, there is a prompt: "Please select the track relevant for your submission and click 'Continue'." A list of radio buttons is provided for selection: "RTME2013", "Thermal Engineering", "Production And Manufacturing", "Design Engineering", and "Industrial Engineering". A "Continue" button is located at the bottom of the list.

9. Enter "Authors Information and Other Information" in accordance with guidance.

The screenshot shows the "New Submission for RTME2013 (Design Engineering)" page. It includes instructions for authors and a form for entering author information. The instructions state: "Follow the instructions, step by step, and then use the 'Submit' button at the bottom of the form. The required fields are marked by (*). More information about submission to RTME2013 can be found on [RTME2013 Web site](#)." The "Authors" section explains that for each author, the form should be filled out. A list of guidelines is provided: "Email address will only be used for communication with the authors. It will not appear in public Web pages of this conference. The email address can be omitted for authors who are not corresponding. These authors will also have no access to the submission page.", "Web site can be used on the conference Web pages, for example, for making the program. It should be a Web site of the author, not the Web site of her or his organization.", and "Each author marked as a **corresponding author** will receive email messages from the system about the submission. There should be at least one corresponding author." The form for "Author 1" includes fields for "First name" (*), "Last name" (*), "Email" (*), "Country" (*), "Organization" (*), "Web Site", and a checkbox for "Corresponding author".

10. Title, Abstract and Other Information

The screenshot shows the "Title, Abstract and Other Information" page. It includes instructions: "The title and the abstract should be given as a plain text, they should not contain HTML elements." The form has a "Title" (*) field and a large "Abstract" (*) text area. Below the abstract, there is a "Keywords" section with the instruction: "Type a list of keywords (also known as key phrases or key terms), **one per line** to characterize your submission. You should specify at least three keywords." A "Keywords" (*) field is provided for entering the keywords.
