

MET's Institute of Engineering

Department of MCA

Sparx 2014 Report

Sparx is a state level event organized by the Department of MCA every year since 2010. The students of MCA take active participation in bringing the sponsorship, getting more registrations to make this event successful.

This year sparx continued for 3 days 15.9.2014- 17.9.2014 (during Engineers week).

The Inauguration of the event as well as the MCA news letter magazine (online) was done by Hon. Shefali Bhujbal Madam.

The competitions arranged during the event were;

Paper presentation, Speech, Rangoli, Flower Decoration, Quiz, Blind coding, & gaming (CS, NFS, Angry Bird, 2048)

We received 682 entries which generated the Revenue of Rs 58160/-

We also received the Sponsorship amount of Rs 38125/- by our sponsors (Holiday link, café holix, Sanskruti Hobby classes, Corplinx, Enobus & IANT computers).

Students have kept their fun fair stalls which were entertaining as well as generated revenue for the event.

Self Defense and Lamasa workshops were also the part of sparx this time.

As always medical camp was also an important part of our sparx which included the eye checkup & health checkup for the staff and students, it received huge response.

The success of this event lies in the hard work and dedication by our MCA family which includes all the staff and students.

Thanks & Regards

Jaya.S.Srivastava

(Co-Convener Sparx)
