## **MET Bhujbal Knowledge City**

The MET League of Colleges is a conglomerate of premiere educational institutions, driven by a single-minded focus on imparting quality education to make students sharp. Established in 1989, with a mission to redefine the system of education, MET is a professionally managed, multi-disciplinary and multi-faced oasis of knowledge. The grant of the ISO 9001:2008 certification is an acknowledgement of the institution's capability to deliver professional education that meets the highest standards of professionalism worldwide.

## **CESA (CIVIL ENGINEERING STUDENTS' ASSOCIATION)**

CESA – Civil Engineering Students' Association was an idea, a challenge to create a platform for the students, by the students and of the students wherein the students would come out of the shell to display their talent, innovation and help them make a cut above the rest.

Established on 18<sup>th</sup> September 2014, Tech-Xplode has been creating waves ever since. Tech-Xplode is committed in generating, disseminating, and preserving knowledge, and to working with others to bring this knowledge to bear on the world's great challenges.

It is a collaboration of all the Civil Engineering students of our college, basically to unite them to participate and contribute towards the activities organized by S.E., T.E. and B.E. students.

## **OBJECTIVES:**

- To develop leadership qualities among the students.
- To develop their event management / resource handling skills.
- To bring forth financial literacy among the students.
- To develop communication skills – campaigning and sponsorship.
- Nurture and promote their creativity in all activities.
- All round development of students – technical, sports, cultural.

## TEACHERS' DAY 2015:

We very well know that Teachers are the whole and soul reason of what we are now. CESA takes the responsibility of conducting Teachers' Day and making it as grand as possible. We work towards making this day "special", memorable and an experience which is outside the classroom boundaries for teachers as well as students. Every year CESA celebrates the Teachers' Day Function on the occasion of Birth Anniversary of Dr. Sarvapalli Radhakrishnan. This year we celebrated it on 7<sup>th</sup> September 2015.

### FAREWELL 2015-2016:

It is often said that the best period in the life of anyone is the time they spend in their school and college. This is, undoubtedly, golden era, which is recollected nostalgically for the rest of their life. So to make this day special, we had organized a farewell party for the final year students on 27<sup>th</sup> April 2016. There were many activities planned and we had a lot of fun.
