MET Bhujbal Knowledge City

The MET League of Colleges is a conglomerate of premiere educational institutions, driven by a single-minded focus on imparting quality education to make students sharp. Established in 1989, with a mission to redefine the system of education, MET is a professionally managed, multi-disciplinary and multi-faced oasis of knowledge. The grant of the ISO 9001:2008 certification is an acknowledgement of the institution's capability to deliver professional education that meets the highest standards of professionalism worldwide.

CESA (CIVIL ENGINEERING STUDENTS' ASSOCIATION)

CESA – Civil Engineering Students' Association was an idea, a challenge to create a platform for the students, by the students and of the students wherein the students would come out of the shell to display their talent, innovation and help them make a cut above the rest.

Established on 18th September 2014, Tech-Xplode has been creating waves ever since. Tech-Xplode is committed in generating, disseminating, and preserving knowledge, and to working with others to bring this knowledge to bear on the world's great challenges.

It is a collaboration of all the Civil Engineering students of our college, basically to unite them to participate and contribute towards the activities organized by S.E., T.E. and B.E. students.

OBJECTIVES:

- To develop leadership qualities among the students.
- To develop their event management / resource handling skills.
- To bring forth financial literacy among the students.
- To develop communication skills – campaigning and sponsorship.
- Nurture and promote their creativity in all activities.
- All round development of students – technical, sports, cultural.

1st ALUMNI MEET:

The 1st alumni meet was held by all the departments of Institute of Engineering. It was a great moment for MET BKC Family to celebrate the 1st Alumni Meet of all the departments together with common inauguration. The inauguration was held at IOTP Seminar Hall on 1st October 2016. The department celebrated the 1st alumni meet with the presence of the glorious alumni of the years starting from the 1st batch of the department. The event was inaugurated with the enjoyable yet meaningful acts by current students.

Various alumni had addressed the current students with their valuable guidance for shaping their careers. Discussion session was also arranged for the current students to get the valuable inputs from the alumni for their further academic growth and opportunities to have a bright career.

FAREWELL 2016-2017:

It is often said that the best period in the life of anyone is the time they spend in their school and college. This is, undoubtedly, golden era, which is recollected nostalgically for the rest of their life. So to make this day special, we had organized a farewell party for the final year students on 26th April 2017. There were many activities planned and we had a lot of fun.
