MET Bhujbal Knowledge City

The MET League of Colleges is a conglomerate of premiere educational institutions, driven by a single-minded focus on imparting quality education to make students sharp. Established in 1989, with a mission to redefine the system of education, MET is a professionally managed, multi-disciplinary and multi-faceted oasis of knowledge. The grant of the ISO 9001:2008 certification is an acknowledgement of the institution's capability to deliver professional education that meets the highest standards of professionalism worldwide.

SAC (Students' Association of Computer)

SAC – Students' Association of Computer was an idea, a challenge to create a platform for the students, by the students and of the students wherein students would come out of the shell to display their talent, innovation and help them make a cut above the rest.

Established on 25th August 2012, SAC has been creating waves ever since. SAC is committed in generating, disseminating, and preserving knowledge, and to working with others to bring this knowledge to bear on the world's great challenges.

SAC in association with CSI Student's Accredited Wing is dedicated to provide its members with an education that combines rigorous academic study and the excitement of discovery with the support and intellectual stimulation of a diverse campus community. We seek to develop in each member of the SAC the ability and passion to work wisely, creatively, and effectively for the betterment of humankind.

Functions

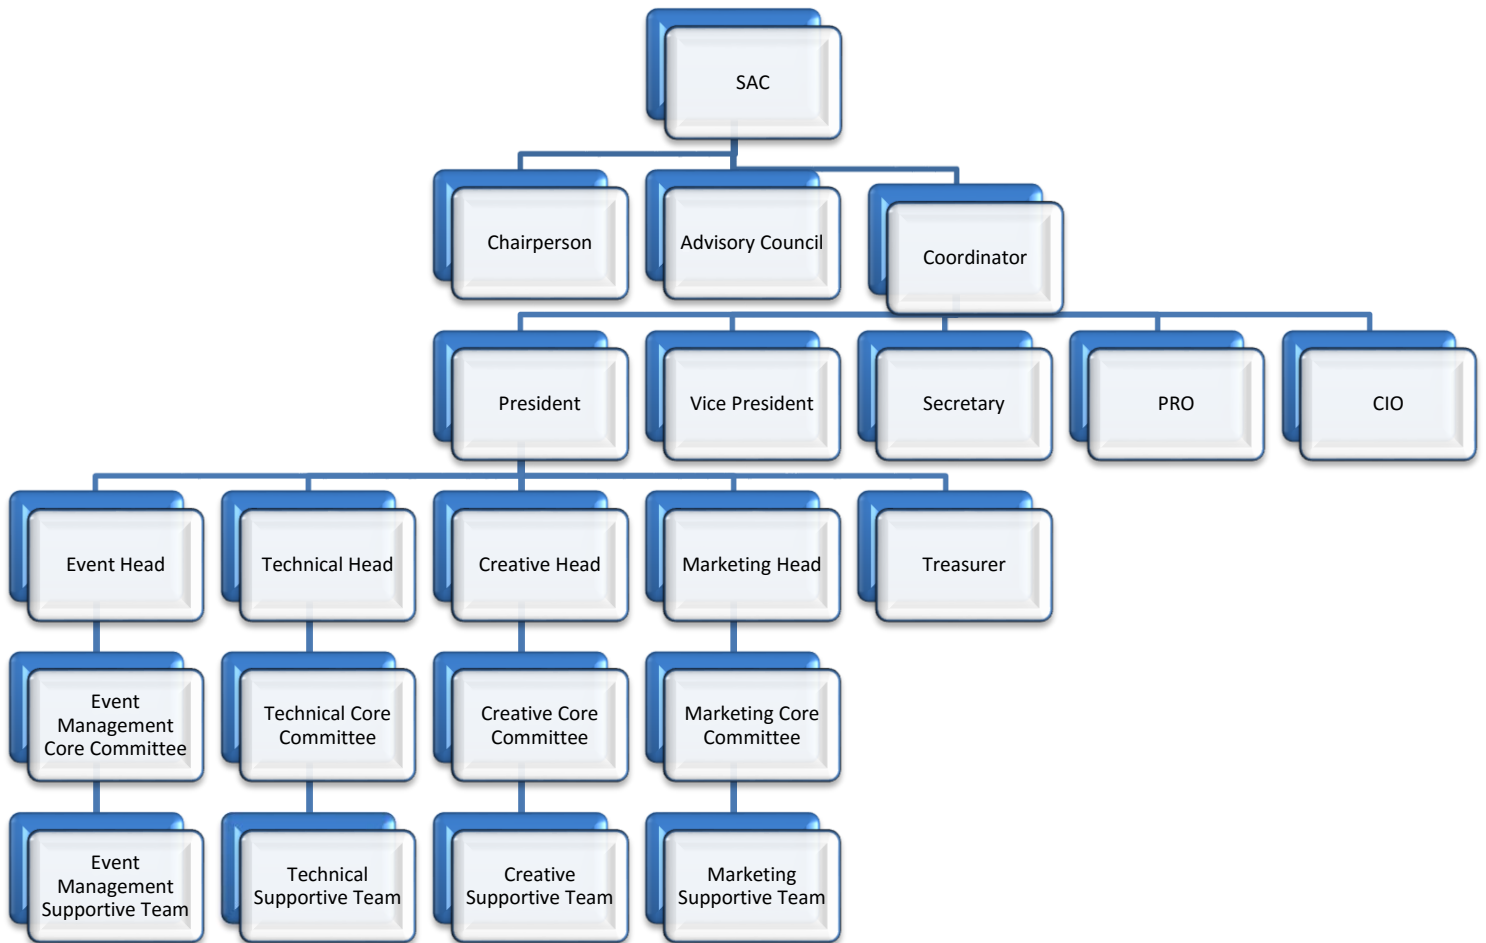

- Generate awareness about technical know-how & updates on the current technical and nontechnical scenario.
- Conducting various seminars, workshops (in-house faculty as well as industry experts) throughout the year to enlighten students with the various technologies.
- Hosting mega event “METASTORM” which aims at bringing forward various facets of students’ be it from managing an event, to competing with peers, to marketing oneself in the industry.
- Aggrandize CSR by conducting college level events that aims at helping the less fortunate.

Milestones

- Yearly membership of more than 200 students from Computer Engineering Department.
- Also work with the CSI (Computer Society of India) Nasik Chapter.
- There has been various Technical, Non-Technical, and Cultural Events, workshops, seminars and CSR activities of which SAC has been an integral part of under the METASTORM event.

Activities So Far

LaTex Workshop

In house faculty, Mr. Tusharsaheb Patil, conducts a workshop on LaTeX for Third Year students (Computer branch). This workshop is conducted every year in the month of January or February. The workshop focuses on learning Latex - an efficient tool for creating documents in an easy and precise manner that is used in publishing technical papers

CSI Events

We are also affiliated with the CSI (Computer Society of India) Nasik Chapter. The events that are organized under CSI are implemented with the help of SAC members. CSI and SAC go hand in hand. There have been various workshops, CSR activities of which SAC has been an integral part of.

Teachers' Day Celebration

Because Teachers are the whole and soul reason of what we are now. SAC takes the responsibility of conducting Teachers' Day and making it as grand as possible. We work towards making this day "special", memorable and an experience which is outside the classroom boundaries for Teachers as well as students.

METASTORM

METASTORM is the annual event organized by SAC. SAC, being the independent body of students who organize this event along with many other social initiatives and outreach programs round the year.

Started in 2012 with the aim of providing a platform for students to develop and showcase their technical prowess, it has now grown into one of Nasik's largest Technical festival. The activities culminate in a grand three day festival event in the month of September on the campus of MET's BKC, Nasik campus which attracts people from all over India, including students, academia, corporates and the general public.

Highlights

- State level event, highest rated technical event in Nasik.
- Turnout of almost 5000+ students from in and around Maharashtra. Chief guests include technical tycoons, VIPs, dignitaries, socialists, businessmen, law enforcement etc.
- Hosting workshops by technical experts. (Cyber Forensics by Mr. Vidit Baxi)
- Conducting State level events like BeRFI (Be Ready for Industry) sponsored by ELC Learning.
- Sponsored by the best industries in and around Maharashtra.

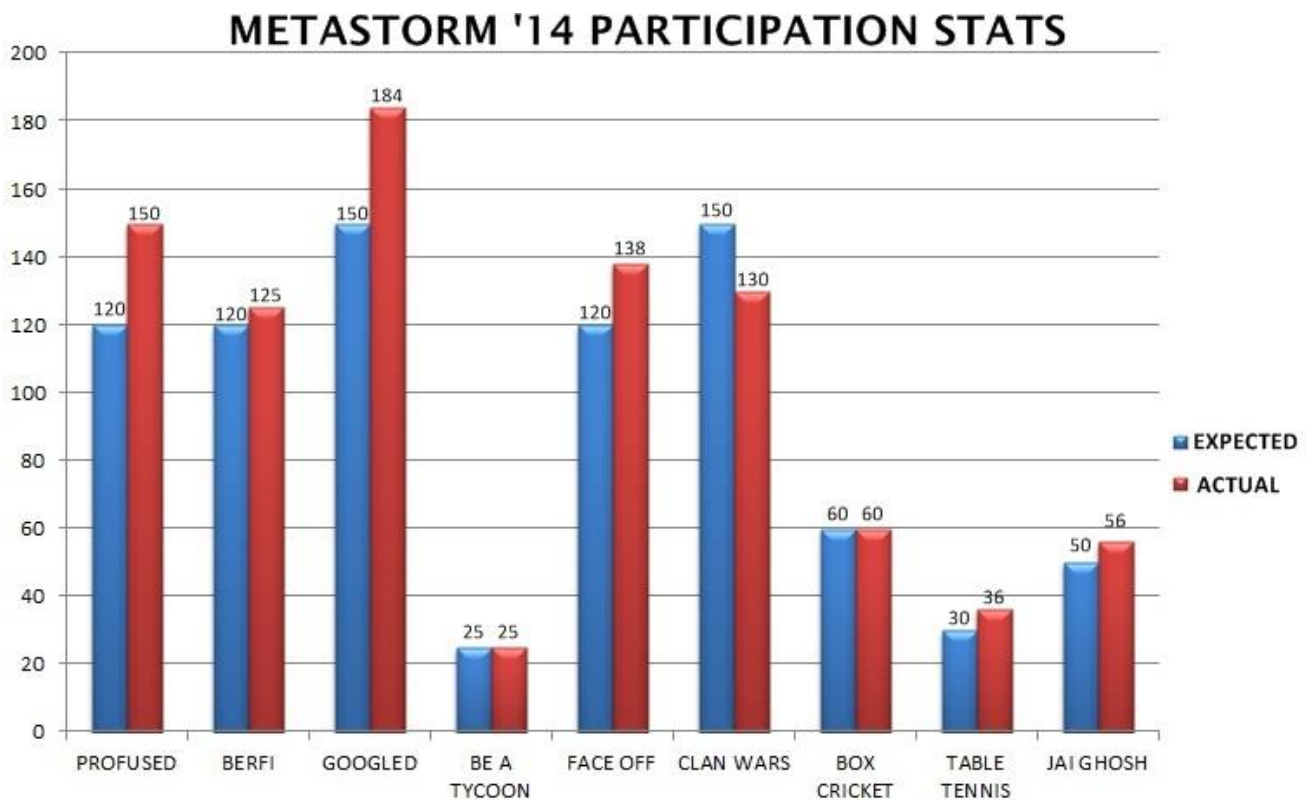

- Non – paid media coverage during events.
- Promoting companies and their products during the event.

METASTORM 2014

We received a huge response from the enthusiastic students in regard to the technical, cultural and sports events.

A debut cultural event under the name “Jai Ghosh” was hosted that gives students a platform to showcase their hobbies and talents.

Statistics

Inauguration Ceremony

A grand event was held for the inauguration of METASTORM '14. The guests of honor were Mrs. Shefali Bhujbal Ma'am – Trustee MET IOE BKC Nashik., Mr. Samir Desai (Executive Vice-President, and E & G Green Valley Spa Resort). As a part of CSR activity orphans were invited and their birthday was celebrated, along with the promise that the student members of SAC would teach the kids the basics of computer education whenever possible within a year. We celebrated METASTORM'14 during 15th - 17th Sept. 2014.
