MET Bhujbal Knowledge City

The MET League of Colleges is a conglomerate of premiere educational institutions, driven by a single-minded focus on imparting quality education to make students sharp. Established in 1989, with a mission to redefine the system of education, MET is a professionally managed, multi-disciplinary and multi-faceted oasis of knowledge. The grant of the ISO 9001:2008 certification is an acknowledgement of the institution's capability to deliver professional education that meets the highest standards of professionalism worldwide.

SAC (Students' Association of Computer)

SAC – Students' Association of Computer was an idea, a challenge to create a platform for the students, by the students and of the students wherein students would come out of the shell to display their talent, innovation and help them make a cut above the rest.

Established on 25th August 2012, SAC has been creating waves ever since. SAC is committed in generating, disseminating, and preserving knowledge, and to working with others to bring this knowledge to bear on the world's great challenges.

SAC in association with CSI Student's Accredited Wing is dedicated to provide its members with an education that combines rigorous academic study and the excitement of discovery with the support and intellectual stimulation of a diverse campus community. We seek to develop in each member of the SAC the ability and passion to work wisely, creatively, and effectively for the betterment of humankind.

Functions

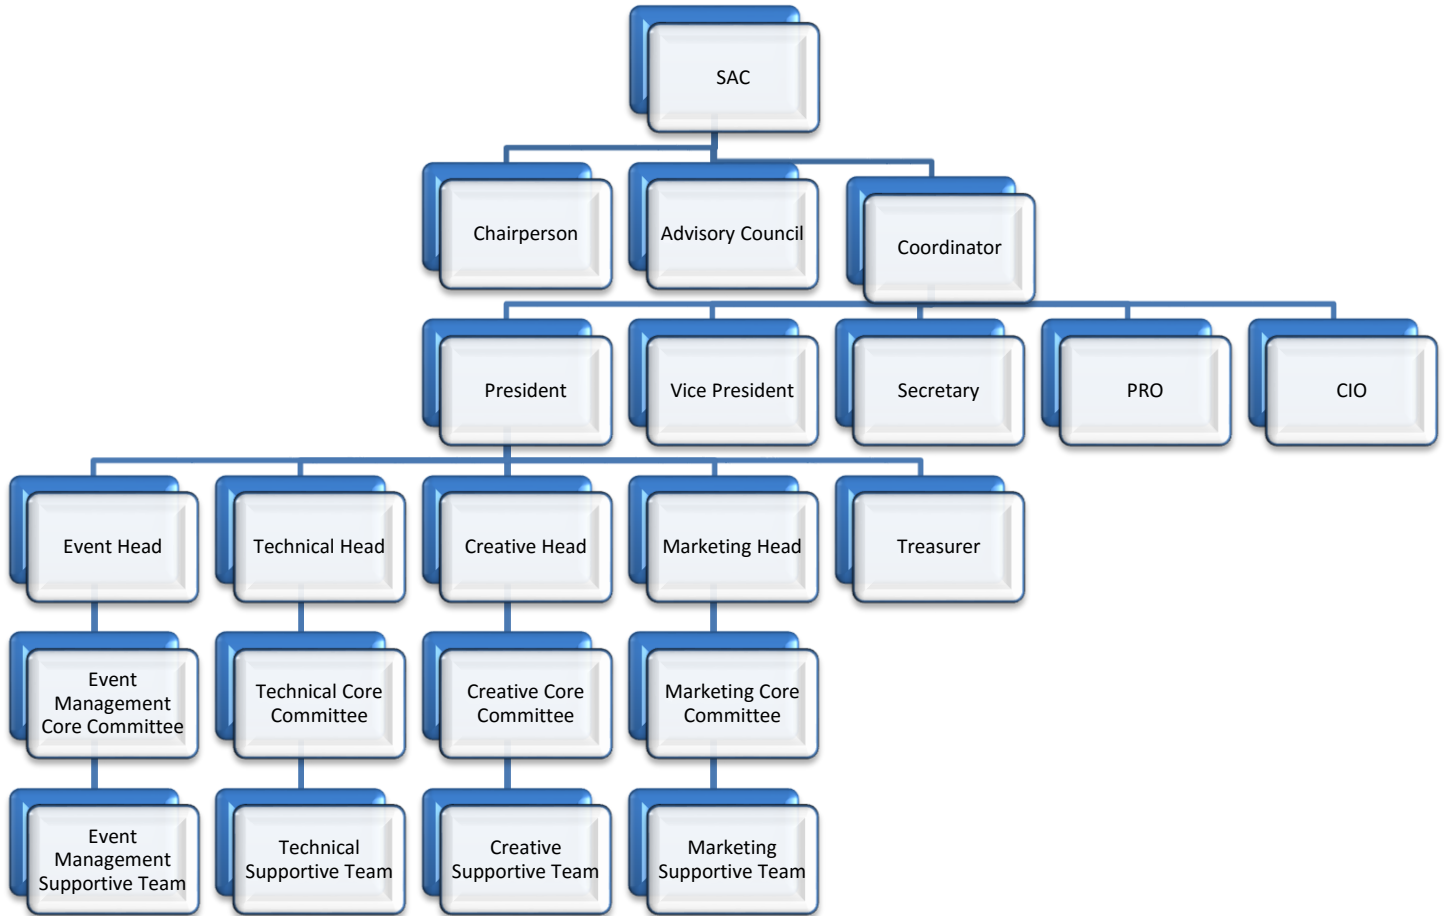

- Generate awareness about technical know-how & updates on the current technical and nontechnical scenario.

Activities So Far

Teachers' Day Celebration

We very well know that Teachers are the whole and soul reason of what we are now. SAC takes the responsibility of conducting Teachers' Day and making it as grand as possible. We work towards making this day "special", memorable and an experience which is outside the classroom boundaries for Teachers as well as students. Every year SAC celebrates the Teacher's Day Function on the occasion of Birth Anniversary of Dr. Sarvapalli Radhakrishnan. This year we the celebrated it on 7th September 2015.

METASTORM

METASTORM is the annual event organized by SAC. SAC, being the independent body of students who organize this event along with many other social initiatives and outreach programs round the year. **Started in 2012** with the aim of providing a platform for students to develop and showcase their technical prowess, it has now grown into one of Nasik's largest Technical festival. The activities culminate in a grand three day festival event in the month of September on the campus of MET's BKC, Nasik campus which attracts people from all over India, including students, academia, corporates and the general public.

Highlights

- State level event, highest rated technical event in Nasik.
- Turnout of almost 5000+ students from in and around Maharashtra. Chief guests include technical tycoons, VIPs, dignitaries, socialists, businessmen, law enforcement etc.
- Hosting workshops by technical experts. (Cyber Forensics by Mr. Vidit Baxi)
- Conducting State level events like BeRFI (Be Ready for Industry) sponsored by ELC Learning.
- Sponsored by the best industries in and around Maharashtra.
- Non – paid media coverage during events.

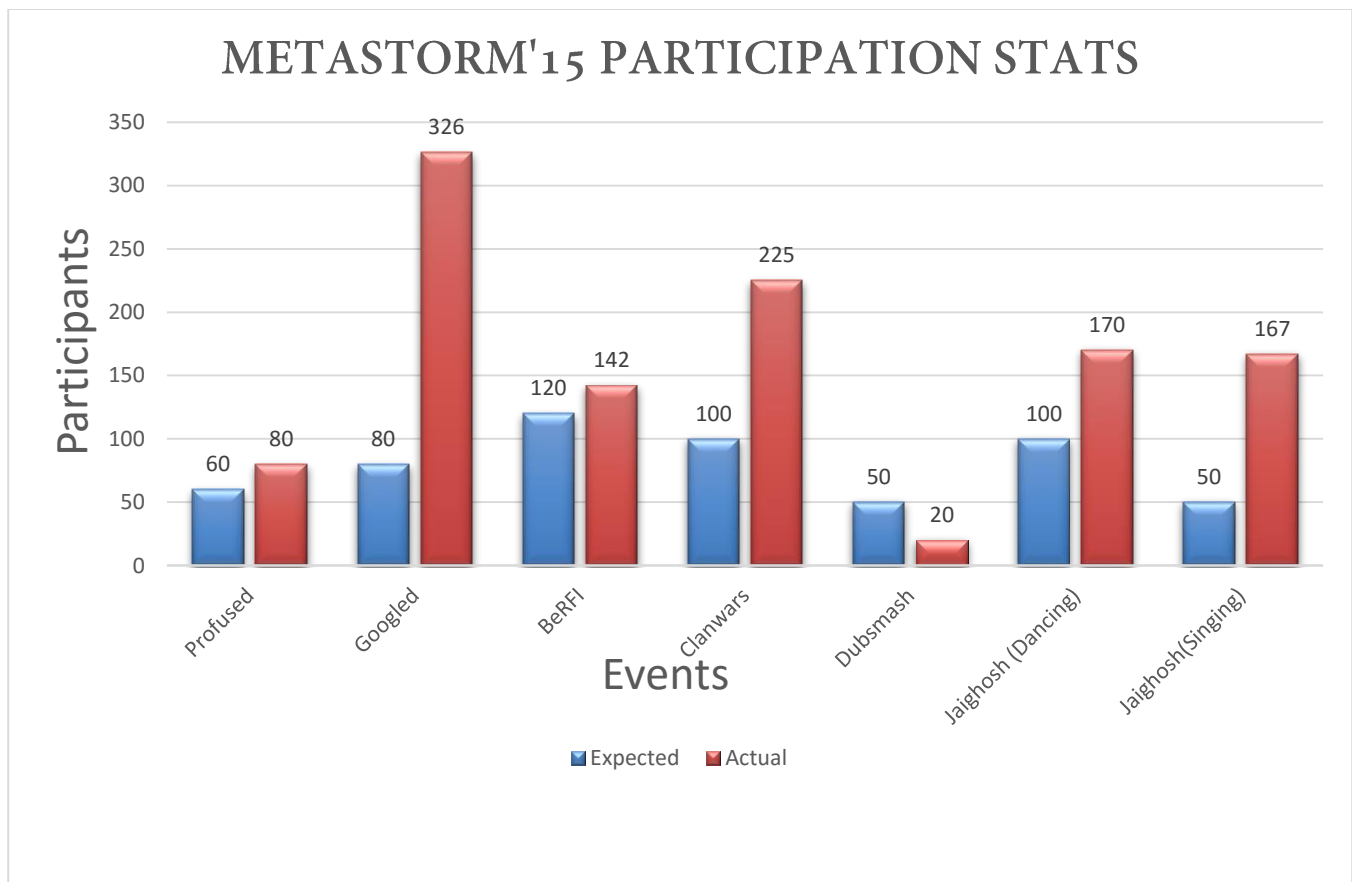

- Promoting companies and their products during the event.

METASTORM 2015

We received a huge response from the enthusiastic students in regard to the technical, cultural and sports events. A debut cultural event under the name “Jai Ghosh” was hosted that gives students a platform to showcase their hobbies and talents.

Statistics

Inauguration

A grand event was held for **the inauguration of METASTORM '15 on 21st September 2015**. First time we had a grand common inauguration with all the departments of Institute of Engineering. The guests of honor were Mr. Sameer Bhujbal Trustee, Mrs. Shefali Bhujbal Trustee and Chief Administrator MET's BKC Nashik, Various Guests from in and around Nashik, all HOI, HODs and staff members of various institutes. As a part of CSR activity a common act was performed by students of all departments on **"Farmers and their problems"** which was the current issue at that time. We performed an act on **"Say No to Child Labor"** through which we spread a message of stopping the child labor and providing the poor children the opportunities for education.

Events:

A series of technical, non-technical and cultural events are conducted for the students over 2 days from technical and nontechnical background to showcase their skill and talent.

This year, for the METASTORM 2015, we would be introducing a 'Dub smash' that would promote and groom students for furthering their non-technical skills.

Technical Events

Profused

A mixed coding competition, where participants are tested, and tested vigorously for their technical programming skills, the basic logic development and problem solving techniques. Here students are given problem definition which is mixture of code in different languages and they are asked to identify the problem definition and again to code it in their favorite language. In next round they will be given different problem definition as rapid fire to test their talent based on time factor and so on. This event was **sponsored and judged by Soliezy Solutions Nashik.**

BeRFI

Be Ready for Industry, an event that is **conducted in association with our sponsor APART institute, Pune.**to create a mock test of the Aptitude test, Group Discussion and Extempore with a panel of experts. This gives students an opportunity to go through a smaller version of campus recruitment process conducted at job interview and also groom them to get confidence in each area of campus recruitment process. We every time call mainly Industry Personnel or Coaching Academy personnel so as to groom the students' aptitude, reasoning English like areas.

Non-Technical Events

CLAN Wars

LAN Gaming sessions conducted between multiple players and teams for Counter Strike and Need for Speed Most Wanted. This provides students exposure to their non-technical skills such as computer gaming.

Dubsmash

Introduces a new event which every student would regret for not participating. The one trending on social media... 'DUBSMASH'. Which gives students opportunities to showcase their non-technical skills of dubbing videos over social media.

Jai Ghosh:

A cultural **dance and singing** competition. The dance event was judged by the **Electro Street Alliance Academy experts** and **singing event was judged by Mr. Vivek kelkar a renowned singer and music teacher in nashik. More Than 500 students had attended the event.** This event has set the benchmark from 2 years by providing students a grand platform to showcase and nurture their singing and dance talent.

Dance Event: Here are the memories of Dance Competition under Jaighosh which has got an overwhelming response. The event was a golden opportunities for real dancers to showcase and boost their extracurricular talent. This event got a huge response this year also. We are very glad to provide the tomorrow's dancer a great platform to nurture and compete their talent with other participants in and around nashik.
