

# Bhujbal Knowledge City

**Institute of Engineering**

**Department of Computer Engineering**

E News Letter

Issue: 4

Volume: 1

Academic Year 2016-17

## **MET Bhujbal Knowledge City**

The MET League of Colleges is a conglomerate of premiere educational institutions, driven by a single-minded focus on imparting quality education to make students sharp. Established in 1989, with a mission to redefine the system of education, MET is a professionally managed, multi-disciplinary and multi-faceted oasis of knowledge. The grant of the ISO 9001:2008 certification is an acknowledgement of the institution's capability to deliver professional education that meets the highest standards of professionalism worldwide.

## **SAC (Students' Association of Computer)**

SAC – Students' Association of Computer was an idea, a challenge to create a platform for the students, by the students and of the students wherein students would come out of the shell to display their talent, innovation and help them make a cut above the rest.

Established on 25th August 2012, SAC has been creating waves ever since. SAC is committed in generating, disseminating, and preserving knowledge, and to working with others to bring this knowledge to bear on the world's great challenges.

SAC in association with CSI Student's Accredited Wing is dedicated to provide its members with an education that combines rigorous academic study and the excitement of discovery with the support and intellectual stimulation of a diverse campus community. We seek to develop in each member of the SAC the ability and passion to work wisely, creatively, and effectively for the betterment of humankind.

## Functions

- Generate awareness about technical know-how & updates on the current technical and nontechnical scenario.
- Conducting various seminars, workshops (in-house faculty as well as industry experts) throughout the year to enlighten students with the various technologies.
- Hosting mega event “METASTORM” which aims at bringing forward various facets of students’ be it from managing an event, to competing with peers, to marketing oneself in the industry.
- Aggrandize CSR by conducting college level events that aims at helping the less fortunate.

## Milestones

- Yearly membership of more than 200 students from Computer Engineering Department.
- Also work with the CSI (Computer Society of India) Nasik Chapter.
- There has been various Technical, Non-Technical, and Cultural Events, workshops, seminars and CSR activities of which SAC has been an integral part of under the METASTORM event.
- Chief guests include technical experts, business tycoons, dignitaries, socialists, businessmen, high ranking law enforcement personnel, etc.
- Conducting State level event METASTORM.
- Participation of students from all over Maharashtra.

## Revised Hierarchical Structure of SAC (w. e. f. 2014-15)

## Events & Activities: **Teachers' Day Celebration**

We very well know that Teachers are the whole and soul reason of what we are now. SAC takes the responsibility of conducting Teachers' Day and making it as grand as possible. We work towards making this day "special", memorable and an experience which is outside the classroom boundaries for Teachers as well as students. Every year SAC celebrates the Teacher's Day Function on the occasion of **Birth Anniversary of Dr. Sarvapalli Radhakrishnan**. This year we the celebrated it on **7<sup>th</sup> September 2016**.

### *Teachers' Day Celebration 2016 at IOE Seminar Hall*

## METASTORM

METASTORM is the annual event organized by SAC. SAC, being the independent body of students who organize this event along with many other social initiatives and outreach programs round the year.

**Started in 2012** with the aim of providing a platform for students to develop and showcase their technical prowess, it has now grown into one of Nasik's largest Technical festival. The activities culminate in a grand three day festival event in the month of September on the campus of MET's BKC, Nasik campus which attracts people from all over India, including students, academia, corporates and the general public.

### Highlights

- State level event, highest rated technical event in Nasik.
- Turnout of almost 5000+ students from in and around Maharashtra. Chief guests include technical tycoons, VIPs, dignitaries, socialists, businessmen, law enforcement etc.
- Hosting workshops by technical experts. (Cyber Forensics by Mr. Vidit Baxi)
- Conducting State level events like BeRFI (Be Ready for Industry) sponsored by ELC Learning.
- Sponsored by the best industries in and around Maharashtra.

- Non – paid media coverage during events.
- Promoting companies and their products during the event.

## METASTORM 2016

We received a huge response from the enthusiastic students in regard to the technical, cultural and sports events. A cultural event under the name “Jai Ghosh” was hosted that gave students a platform to showcase their hobbies and talents. Also a debut mobile game named “ Mini Militia” has set a new benchmarks for mobile game lovers.

## Statistics

## Inauguration Ceremony

A grand event was held for the inauguration of METASTORM '16 on 16<sup>th</sup> September 2016. The event was conducted for 3 consecutive days from 16<sup>th</sup> -18<sup>th</sup> September 2016. The Inauguration was common with the participation of all the departments of IOE. It was witnessed by the theme based on the sports legends of India. Students from various departments played a vital role in imparting the images of great sports legends like Sachin Tendulkar, Sayna Nehwal, Sakshi Malik, Sania Mirza and many more. The event was inaugurated by the Hon'ble Mrs. Shefali Bhujbal Ma'am. Many of the sponsors from in and around nashik has enlighten the ceremony with their valuable presence. To name a few they were ValurHR Pvt. Ltd. Mumbai – A Singapore based NMC, GDSS Nashik, PT Education Nashik, etc.

### *Inauguration Ceremony of Engineers' Week Celebration 2016*

*Students Play on Eminent Sports Personnel*

**Events:**

A series of technical, non-technical and cultural events are conducted for the students over 2 days from technical and nontechnical background to showcase their skill and talent.

This year, for the METASTORM 2016, we would be introducing a 'FUTSAL – A mini Football Competition that would promote and groom students for enhancing their sports abilities.

Every Year we try to include a new event to groom students to their overall strengths.

## Technical Events

### Profused

A mixed coding competition, where participants are tested, and tested vigorously for their technical programming skills, the basic logic development and problem solving techniques. Here students are given problem definition which is mixture of code in different languages and they are asked to identify the problem definition and again to code it in their favorite language. In next round they will be given different problem definition as rapid fire to test their talent based on time factor and so on. We have given freedom for last round to be defined by judges to remove tie or to select the skilled candidates. This event was **sponsored and judged by Emerging Technologies Nashik. It was conducted on 17<sup>th</sup> September 2016.**

*Judges felicitation by Staff Coordinator for "PROFUSED 2016"*

*Participants and Winners of "PROFUSED 2016" Competition*

## Googled

Where students are given a topic, time and computers, and they have to search on the given topic for the allotted time and present on the same. So simply search it and present it. This event was got a huge response this year including much participation from in and outside of nashik. **The event was judged and sponsored by Golden Dreams Software Solutions Nashik** through which students had got opportunity to have discussion on various technical things with the promising judges. Judges have given various insights to students about time management, analytical skill improvement and many more which surely helped them to improve their areas of reasoning and presentation.

*"GOOGLED 2016" Participants and Winners with Staff Coordinators*

## BeRFI

Be Ready for Industry, an event that is **conducted in association with our sponsor PT Education Nashik**. to create a mock test of the Aptitude test, Group Discussion and Extempore with a panel of experts. This gives students an opportunity to go through a smaller version of campus recruitment process conducted at job interview and also groom them to get confidence in each area of campus recruitment process. We every time call mainly Industry Personnel or Coaching Academy personnel so as to groom the students' aptitude, reasoning English like areas.

## Face OFF:

It was a generalized quiz competition based on technical, non-technical and general knowledge based knowledge. Participants enjoyed testing their knowledge in various areas and they explored their talent in the given topics by the judges. The event was judged by Professor Mr. Sandip Kholambe MET's IOTP. It was a great platforms for the quiz lovers who have habit to enhance their skills with objective type questionnaire.

### *"FACE-OFF 2016" Inauguration & Felicitation of Judges*

## Non-Technical Events

### **CLAN Wars**

LAN Gaming sessions conducted between multiple players and teams for Counter Strike and Need for Speed Most Wanted. This provides students exposure to their non-technical skills such as computer gaming. The event was inaugurated on 16<sup>th</sup> September and concluded on 17<sup>th</sup> September 2016. Like every year this year also we got huge response of the digital players.

#### *"ClanWars 2016" Inauguration and Prize Distribution*

## Jai Ghosh

A cultural **dance and singing** competition. The dance event was judged by Mrs. Priti Kukekar – Director Music Acadmey Nashik and **singing event was judged by Mr. Yeole a renowned musician in nashik. More Than 500 students had attended the event.** This event has set the benchmark from 2 years by providing students a grand platform to showcase and nurture their singing and dance talent.

**Dance Event:** Here are the memories of Dance Competition under Jaighosh which has got an overwhelming response. The event was a golden opportunities for real dancers to showcase and boost their extracurricular talent. This event got a huge response this year also. We are very glad to provide the tomorrow's dancer a great platform to nurture and compete their talent with other participants in and around nashik. **The event was held on 17<sup>th</sup> September 2016.**

### *"JAYGHOSH 2016 - Dance Competition Gilmpses"*

## Singing Event:

Here are the memories of Singing Competition under Jaighosh which has also got the nice response from the participants from various regions. The event was a golden opportunities for real singers to showcase their talent in front of eminent singers in music field and to boost their extracurricular talent to attend the high position in today's reality shows. **The event was held on 17<sup>th</sup> September 2017.**

### *"JAYGHOSH 2016 - A Singing Competition Glimpses"*

## FUTSAL:

A newly added event in the year 2016-17. It basically played in foreign countries with great enthusiasm and passion by the players of football all over the world. There is no much craze in India but still we tried it in the out event to provide students the insights of the new outdoor game where they can explore their skills. This event was got a huge success around 30 teams visited the campus and show went for total 2 days and finally ended with the prize distribution. The event was judged by **External Refree Mr. Rohit More and Mr. Shakti Gadekar** and was held during **17<sup>th</sup> -18<sup>th</sup> September 2016.**

*"FIRST ALUMNI MEET - DEPT OF COMP. ENGG." Glimpses 2016*

**“Earn While You Learn” by ValeurHR:**

This was the great opportunity for all the students of IOE to be part of “Earn While You Learn”. The main idea behind it was the Forex Market. The workshop was conducted by our **Platinum Sponsor “ValeurHR Pvt Ltd.”** Mumbai – A Singapore based NMC. They have made a web app where anyone can participate and has to give their insights about the Forex market analysis. We just have to do the analysis of current and historical data and based on our prediction and analytical skills we have to provide the insights about market condition in next particular time.

We only have to invest 24hrs a month to do this activity in our free time which can bring the money in terms of dollars if our insights goes accurate. Almost all students of IOE have registered for it and taking the benefits of the same.

The Workshops was conducted by **Mr. Zaman – A Marketing Manager, ValurHR Pvt. Ltd** and **Mr, Rajat Bakshi – A Vice President, ValeurHR Pvt. Ltd.** And it was delivered on **30<sup>th</sup> Septemer 2016.**

*Mr. Zaman addressing students for "Learn While You Earn" Concept and its benefit*
