## About MET Bhujbal Knowledge City

The MET League of Colleges is a conglomerate of premiere educational institutions, driven by a single-minded focus on imparting quality education to make students sharp. Established in 1989, with a mission to redefine the system of education, MET is a professionally managed, multi- disciplinary and multi-faceted oasis of knowledge. The grant of the ISO 9001:2008 certification is an acknowledgement of the institution's capability to deliver professional education that meets the highest standards of professionalism worldwide.

## UNITY (United IT Youth)

UNITY –Information Technology Students' Association was an idea, a challenge to create a platform for the students, by the students and of the students wherein students would come out of the shell to display their talent, innovation and help them make a cut above the rest.

Established on 15<sup>th</sup> August 2012, UNITY has been creating waves ever since. UNITY is committed in generating, disseminating, and preserving knowledge, and working with others to bring this knowledge to bear on the world's great challenges.

## Functions

- The functions of UNITY are to motivate students for self confidence and identify the strength of students.

- Generate awareness about technical know-how & updates on the current issues related technologies scenario as well as non-technical issues.
- Conducting various seminars, Workshops (in-house faculty as well as industry experts) throughout the year to enlighten students with various technologies.
- Aggrandize CSR by conducting college level events that aims at helping the less fortunate.

## Milestones

- ✓ Literate over 500 students from rural background for computer knowledge under the program MET- Dnyanada at Nagosli village.
- ✓ Yearly membership of more than 200 students from IT Department.
- ✓ Also work with the CSI (Computer Society of India) Nasik Chapter.
- ✓ There has been various Technical, Non-Technical, and Cultural Events, workshops, seminars and CSR activities of which UNITY has been an integral part of Departmental activities.
- ✓ Chief guests include technical experts, business tycoons, dignitaries, socialists, businessmen, high ranking law enforcement personnel, etc.

## Activities:

**MET- Dnyanada**: an activity started by department of Information Technology to create awareness about computer literacy in rural area schools. We started the MET-Dnyanada program under the guidance of Hon. Shefali Bhujbal madam. Under this program over 500 students were get knowledge of basic computers. The program conduct at 3 schools includes ZP school and private school at Nagosli village.

## National Level Workshop on MATLAB

Department of Information Technology organized a National Level Workshop on Research Trends in Engineering and MATLAB as a scientific tool for Research on Feb. 8 - 10, 2013. The participation for the workshop was from all over Maharashtra.

The National level workshop was aimed to spread research awareness in post-graduate students and faculties of technical education institutes and industry persons and to discuss various aspects of research and hands-on practice of MATLAB. In order to promote the research activities among the technical professionals, such as technical program is the responsibility of institutions to support.

The key areas to be covered:

- Recent trends in research.
- Research methodologies.
- Hands-on sessions on MATLAB.

Dr.G.K. Kharate Felicitated By Dr.V.P.Wani

Key Note Speech By Dr.G.K.Kharate
