"You have to learn the rules of the game. And then you have to play better than anyone else."

– Albert Einstein

ISSUE 4|VOLUME 1|2015-16: MET's BKC, IOE, Department of IT

Activities:

"FDP on Internet of Things"

A faculty development program on *"Internet of Things"* was organized for the staff at MET's IOE Nasik. The session was delivered by Dr. M. U. Kharat (Head- Computer Department), Prof. Ratan Deokarand Prof. Pankaj Deore. The objective of event was to provide platform for the participants to acquire knowledge about IoT. The chief guest of the program Dr. S. S. Sane, Regional Vice president CSI (Region –VI), addressed the participants during the inaugural function. The talk by Dr. M. U. Kharat was meant for awareness about the research topics related to IoT. The further sessions of program focused on imparting knowledge about Raspberry Pi open source hardware.

Participants' Feedback:

✓ More than 66% participants rated the FDP Excellent and 44% rated it Very Good.

✓ They find it Motivating and Inspiring

✓ Someone mentioned it as a motivation for development of IoT based projects.

✓ They got the knowledge about entrepreneurship

✓ All participants want such session to be arranged in future.

✓ All participants found it beneficial for them

Outcome of the FDP:

✓ Participants got awareness about IoT based research.

✓ Participants are able to install, configure and use Raspberry pi kit

✓ Participants are able to do GPIO programming and clustering of Raspberry pi

✓ Participant staffs are supposed to motivate and guide students for development of IoT based projects.

IGNITE 2015:

MET's Institute of Engineering, Department of Information Technology, Nasik is organizing STATE LEVEL STUDENTS' FEST "IGNITE 205" on 21st & 22nd September 2015. The main objective of "IGNITE 2014" is to provide a platform for students to show their excellence in techno-social competitions. We invites all students from various institutions to participate in different activities present in state level fest.

"Inauguration of Ignite-15"

The inauguration of engineer's week is held at amphitheater for this ceremony we have chief guest Hon. Samir Bhujbal sir Trustee, MET BKC; also all Participated students, Experts, HOD, Principal from other engineering Colleges are present for inauguration ceremony.

Near about 2000 student present for the inauguration ceremony.

The theme for inauguration is farmer suicide student from Information Technology has performed an emotional and touchy act on it.

UNITY has actively participated in Engineers week event, team unity and the members from Unity and other student association successfully organizes the grant event. Our Students performs social act on farmer suicide as well as educational and current issues act and play.
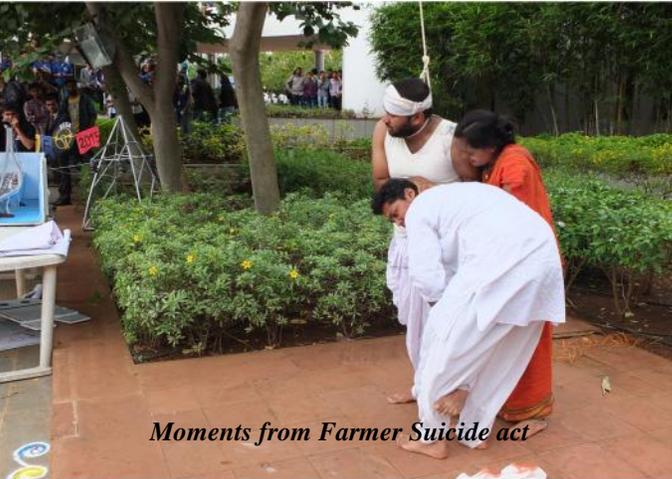

Moments from Farmer Suicide act

Events:

- Pirates of the Web (Online Treasure hunt)
- Tec byte (C Coding Challenge)
