Department of Information Technology

Conference Paper Details

Academic Year 2014-15

Sr. No	Title of paper	Name of Conference	Name of Author
1	An overview of spoken language Identification using visual cues from speech	Global Trends in Engineering, Technology and Management	Prof. Namita R. Kale
2	Review on Duplicate detection in hierarchical data using network pruning algorithm	Innovations and Trends in Computer and Communication Engineering	Prof. Kalpana V. Metre
3	Feature selection using clustering approach for Big Data	Innovations and Trends in Computer and Communication Engineering	Prof. Kalpana V. Metre
4	Image Retrieval using Late Fusion	Innovations and Trends in Computer and Communication Engineering-2014	Prof. Kalpana V. Metre
5	Security & Integrity assurance for join processing from multiple data storage in cloud	International Journal of Computer Applications ITCCE	Prof. Kalpana V. Metre
6	Web based ERP system using cloud	International Conference on Recent Innovations in Engineering, Science and Technology	Prof. Priti S. Lahane

7	Generating automated test cases using model based testing	International Conference on Recent Trends in Engineering Sciences 2014	Prof. Kirti A. Patil
8	Data reporting and aggregation in multiple mobile sink environment for WSN	TECHTONIC	Prof. Reshma C. Sonwane
9	Data reporting in multiple mobile sink environment for WSN	International Conference on Recent Trends in Engineering and Technology	Prof. Reshma C. Sonwane
10	Data reporting in multiple mobile sink environment for WSN	Post Graduation Conference for Information Technology	Prof. Reshma C. Sonwane
11	Review on agent based cloud computing	International journal of Computer Applications Innovations and Trends in Computer and Communication Engineering	Prof. Rashmi Chandwadkar
12	Review on load balancing model based on cloud computing	International Journal of Computer Applications Innovations and Trends in Computer and Communication Engineering	Prof. Varsha Salunkhe
13	A Review on strategies for shared memory sparse matrix vector	International Journal of Computer Applications Innovations and Trends in Computer and Communication Engineering	Prof. Komal Deshmukh
14	A review on user privacy preserving & auditing for secure data storage system in cloud	International journal of Computer Applications Innovations and Trends in Computer and Communication Engineering	Prof. Dimple Bedmutha
