

# **“International Women’s Day” Celebration**

## **Under eMAS**

**Name of Institute: MET's Institute Of Engineering, Bhujbal Knowledge City, Nashik,  
Maharashtra.**

## **International Women’s Day**

### **What is women's day?**

International Women's Day (IWD), originally called International Working Women's Day, is celebrated on March 8 every year. In different regions the focus of the celebrations ranges from general celebration of respect, appreciation and love towards women for their economic, political and social achievements.

### **Why do we celebrate Women's Day on 8th March?**

International Women's Day is annually held on March 8 to celebrate women's achievements throughout history and across nations. It is also known as the United Nations (UN) Day for Women's Rights and International Peace

### **What is International Women's Day all about?**

About International Women's Day (8 March) International Women's Day (March 8) is a global day celebrating the social, economic, cultural and political achievements of women. The day also marks a call to action for accelerating gender parity.

The **International Women’s Day**, was celebrated under "eMAS" on 9<sup>th</sup> March,2017, to appreciate girls students of MCA department. All students of FY & SY MCA were present for the celebration of women’s day. Students shared their thoughts about importance of women in life. Also, Students express their gratitude for all girls by giving a small token of love. Prof. Nita Shinde & Prof. Shilpa Diwte enlighten to all with their guidance. Overall, the program was very successful.
