13th September 2017:

Our MET BKC Institute of Pharmacy organized an event titled ANTARANG which was celebrated with full of joy and zest. The whole event was organized by students themselves so that event was called "for the student by the student". Every single student contributed with the financial help to complete the event. Every student gave 120 as an individual contribution.

The event was inaugurated by Brand Ambassador of Nashik smart city and swaccha bharat abhiyan, and professional photographer Mr. Prasad Pawar. After the inauguration he guided the students about 'Importance of extracurricular activity in their personality development' and also about 'cleanliness' and shared his success stories. He also inspired student to succeed in life by help of small things by his own story.

In welcome speech, the principal Dr. Sanjay J. Kshirsagar explained his own idea about ANTARANG and vision behind it. He also said that, 'Don't take it as a competition take it as platform'. He wanted to explore student's talent and creativity and also organizing skill. Then our Cultural secretary Mr. Piyush Ingale explore about Antarang and the whole day program. Our final year student Ms. Bhavi Chauhan and Ms. Malvi Patel performed inauguration Dance. Professor Mrs. Rawal gave a vote of thanks for the formal function.

In competition the event like Drawing, Sketching, Best out of Waste, Salad decoration, Rangoli was held and also a creativity house was made there in which the student kept there belonging which they have made from their home. The response for the Creativity House was very remarkable.

Mr. Pranit Mandlik and his team did a good job in food committee. After this short break the session resumed with the main cultural event at Seminar Hall of Polytechnique Institute.

The cultural event was headed by the Dance and Singing competition. Also the instrumental performance was done by the students. Staff also performed a singing performance. In the cultural event solo and group performances were performed and the unity of students was seen.
