Session3: Skill development: internship and curricular activities

In her lecture, Madam talked about skill development, internships, *on-the-job training* (OJT), and rotational programs (RP). She emphasized giving students the tools and skillsets they need to adapt to a rapidly changing world. To provide a holistic learning environment, NEP 2020 specifically promotes the integration of internships, curricular activities, rotational programs, and on-the-job training. The importance of developing skills through these components was highlighted in the session. Madam also mentioned that NEP 2020 aims to equip students for the demands of the contemporary world by incorporating these elements into the curriculum, ensuring they are not only knowledgeable but also skilled, adaptive, and prepared to succeed in the workforce.
