**Participant institutes-Institute of Engineering (IOE; 75 Volunteers)**

**Institute of Pharmacy (IOP; 19 Volunteers)**

National Service Scheme (N.S.S.) is a noble experiment in academic expansion. It includes the spirit of voluntary work among the students & teacher through sustained community interaction. It brings our academic institution closer to society. It shows how to combine Knowledge & Action to achieve results which are desirable for community Development.

On 24<sup>th</sup> Sep. 1969 and on the occasion of 100<sup>th</sup> birth year of Mahatma Gandhi, the Government of India came with an innovative program for the overall development of the country with the name National Service Scheme. India is the country of villages and farmers and according to Gandhi, the past independence development of India was possible only with the development of villages and villagers or farmers. Gandhi also viewed that youth is the only and biggest mean for any kind of the development and the students from urban India should come forward for urbanization and development of rural India. The huge amount of energy which our young generation possesses can be a crucial power if directed toward the overall development of the country. These noble thoughts inspired Hon. Indira Gandhi and other political leaders and they came out with the National Service Scheme in the year 1969. Since its establishment, NSS has always served in all possible manners for the development of India.

MET's Institute of Pharmacy and Institute of Engineering decided to organise the winter special camp of the NSS at Lakhgaon with various objectives like development of the villages, exposure of the village and socioeconomic problems of the rural population to the young students of college. Awareness against female foeticide, women empowerment, cleanliness and hygiene, personality development, tree plantation, child education etc.

All the volunteers left the MET campus on Monday 06<sup>th</sup> Jan. 2020 and reached the place of the camp in the morning for the arrangement of the food and accommodation. The volunteers were

led by Prof. Kishor Chobe, Prof. Pavan Udavant, Prof. Yogesh More, Prof. Neeta Shinde and Prof. Rahul Sable (NSS Program officers).

Day 01 **Inauguration:** Inaugural function of the camp took place in presence of Dr. Sanjay Kshirsagar (Principal, MET'S Institute of Pharmacy) and Dr. Vijaykumar Wani (Principal, MET'S Institute of Engineering ) in presence of Mrs. Swati Hile Sarpanch of the villege.

Dr. Sanjay Kshirsagar guided the NSS Volunteers on the topic of Social Responsibility during college life and explained the importance of social responsibility.

Dr. Wani guided volunteers on "Entrepreneurship and youth".

As per the guidelines from the University, each working day was divided in three important sessions; the morning sessions which start early in the morning comprises of exercise followed by tea and breakfast which was followed by a session of labor work which includes exhaustive work for around 05 hours.
