

MET'S Institute of Pharmacy

ACTIVITY REPORT

Name of Activity- Online session on Publishing Excellence: Strategies for Identifying Quality Journals, Understanding Indexing and Impact Factor

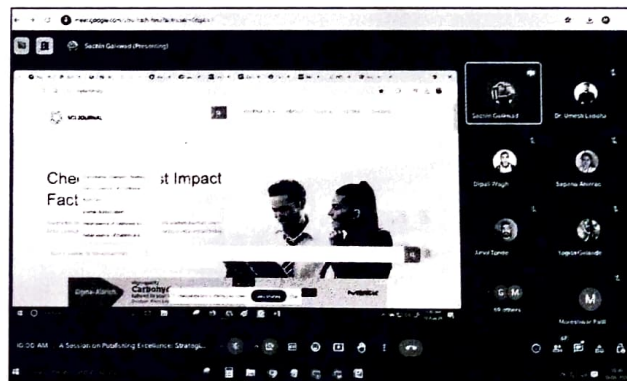

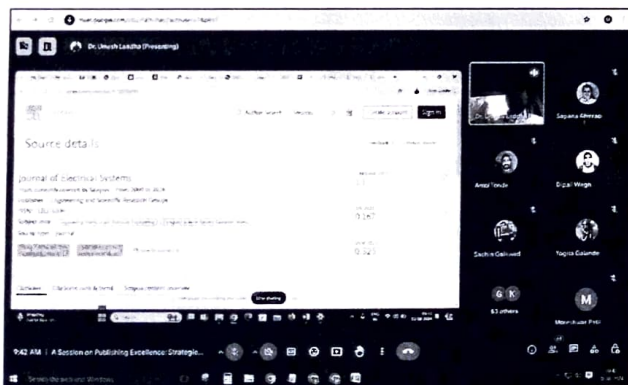

Day and Date- Saturday 10/08/2024

Participants	Ph. D. and PG students	Department
	60	All Ph. D. and PG departments

Details of the Program

Dr. U. D. Laddha (MET IOP) and Mr. S. S. Gaikwad (Sanjivani Inst. of Pharm. Edu. & Res., Kopergaon) were the experts for the session. The experts conducted this live session on selection, aim and scope and classification of journals. Further they have enlighten the audience on indexing system of the journals like Scopus, WoS and UGC CARE and the most important is to prevent publication of research articles in cloned journals. At the end, the session was open for interaction and many students were benefited from the discussion. Feedback was collected for the session.

Objectives of the Activity	To aware the researcher for journal selection, indexing of journals and to provide the information related to cloned journals.
Benefits of the activity	The researchers had discussed their experiences; difficulties related to publication and were benefited by the interactive session.
