- **Participants Details**

Total no. of students: 52

Total no of Faculties: 02

- **Objectives:**

1. National Science Day is celebrated to spread a message about the importance of science used in the daily life of the people.
2. To display all the activities, efforts and achievements in the field of science for human welfare.
3. It is celebrated to discuss all the issues and implement new technologies for the development in the field of science.
4. To give an opportunity to the scientific minded students.
5. To encourage the students as well as popularize science and technology.

- **Key Outcome of the Activity:**

1. National Science Day is celebrated in India on 28 February each year to mark the discovery of the **Raman effect** by Indian physicist **Sir C. V. Raman on 28 February 1928**.
2. For his discovery, Sir C.V. Raman was awarded the Nobel Prize in Physics in 1930.
3. In 1986, the National Council for Science and Technology Communication (NCSTC) asked the Government of India to designate February 28 as National Science Day.
4. Every year National Science Day is celebrated with different theme. This year ie 2022 the National Science Day is celebrated with the theme '**Integrated Approach in S&T for Sustainable Future**'.

5. National Science Day is celebrated in India every year on 28 February. The celebration also includes public speeches, radio, TV, science movies, science exhibitions based on themes and concepts, debates, quiz competitions, lectures, science model exhibitions and many more activities.
6. MET's Institute of Pharmacy, Nashik in association with Institution's Innovation Council (Ministry of HRD Initiative) celebrated National Science Day.
7. On the occasion of National Science day, MET's Institute of Pharmacy Nashik arranged Poster Competition for the students of B.Pharm, PharmD and D.Pharm.
8. Almost 52 Students registered to the competition and all 52 students attended competition and presented their posters
9. Topics for poster competition were Pharma Innovation, Clinical Research in Different Countries, Ideal Medical Shop Role of Pharmacist.
