A Short Report On
Digital Language Lab. Training Workshop
(21st June 2017)

- Training workshop arranged for students as well as teaching and nonteaching staff members regarding applications and operation of “Orell Digital Language Lab. Software” at computer lab. of MET IOP on 21st June 2017 at 12.00 -3.30 pm.
- ODLL is professionally engineered, comprehensive and end-user friendly language learning software by Orell India.
- This software offers instructor an opportunity to not only teach efficiently but also monitor progress the progress of each student individually.
- For learner it offers an interactive learning experience as well as opportunity to self-evaluate his or her progress.
- MET IOP 22 staff members and 95 students had been actively participated in training session.
- This software is useful for students to get excellence in communication skills of foreign languages. It is helpful for preparation of TOEFL, GRE like competitive entrance exam preparation for study abroad.
- List of participated students and staff is attached with this report.

Dr. S.J. Kshirsagar
Principal

Mrs. Smita P. Kakad
Co-ordinator
