Report of 2nd METRxPLORE 2017, an Undergraduate Research Conference

METRxPLORE, it is an annual technical event of MET's Institute of Pharmacy, Bhujbal Knowledge City, Nashik. This technical event was started in 2012 to provide platform for the pharmacy graduates and postgraduates to explore their ideas in the field of pharmaceutical sciences. Every year the students had presented their ideas, thoughts either in the form of poster or oral.

This year also the conference was organized on **11/02/2017** with the aim and objectives to inculcate the research sense in the UG students, to encourage them for research activity and also to promote them for higher studies. The conference was financially supported by Savitribai Phule Pune University, Pune.

In September 2016; the brochure of conference was communicated to the colleges and teachers in the state of Maharashtra so that the students and research guide can select minor research topic from all the subjects of pharmacy and start their research work in their Institute with available facilities and finally present their work in February 2017 in the conference.

Aim: This conference is organized to encourage undergraduate students for research activity.

Objectives:

1. To inculcate the research sense in the undergraduate students.
2. To encourage the undergraduate students for research activity.
3. To promote the students for higher studies and;
4. To appreciate the Student, Supervisor/guide and the Institution.

The conference was inaugurated by Mr. Aditya Kelkar, Director, NeutraLytica Research Pvt. Ltd, Nashik. In his inaugural talk he motivated the students for research. Mr. Rohan Pawar, Director, RAP Analytical and Research Training Center, Nashik guided the students on "Various opportunities for research in pharmacy profession".

Total 60 entries were received from all over Maharashtra who had presented their work in the form of **poster in round I**. After evaluation of posters by the experts from the respective subjects, 08 entries were selected for **round II i.e. oral presentation**.

By considering the overwhelming response from all over Maharashtra we could successfully satisfied the aim and objectives of the conference and able to seed the research culture in undergraduate students. The response received indicated the eager of students to do research and its need in the pharmaceutical sciences.

In future, we are continuing the efforts for students and the activity will be conducted at National level.

Thanking you.
