The screenshot shows a Zoom meeting interface. The main content is a presentation slide titled "Potential Areas for Filing Pharmaceutical Patents". The slide lists eight categories: 01 New chemical entities (NCEs), 02 Drug Combinations, 03 Drug Formulations, 04 Natural Products, 05 Drug Delivery Systems, 06 Medical Devices, 07 Diagnostic Methods, and 08 Biologics. To the right of the slide is a pie chart titled "Number of Patents Filings" showing the distribution of filings by department: 66% for Synthesis and Drug Development, 12% for Formulation and Compositions, 10% for Drug Delivery Systems, and 12% for Devices and Diagnostic Kits. The meeting participants' avatars are visible at the bottom, including Umesh Laddha, Mayur Sawant, Vaishnavi Kulkarni, Suvarna Khairnar, Sarika Patil, and Suchita Shirasath.
