

## **Inauguration Function of Pharma-Museum and DHIC**

---

### **Report of Inauguration function of Pharma-Museum and Drug and Health Information Center**

MET'S Institute of Pharmacy have opened a museum of Pharmacy profession which include various posters from pages of history of Pharmacy profession along with the latest developments of the field, miniatures of different sophisticated equipments used in Pharmacy and a showcase of different Pharmaceutical dosage forms.

This museum was inaugurated by Hon. Mr. Sanjeev K. Mahuli, Dy. General Manager, Blue Cross Lab. Pvt. Ltd. Prof. Sunita Surse explained the objectives and theme of the Pharma Museum and student volunteers explained different posters and other objects from the museum.

This was followed by inauguration of Drug and Health Information Center (DHIC) by the hands of Hon. Shefali Bhujbal. DHIC is a unique information centre in the premises of Institute of Pharmacy to dispense information and knowledge on various health related issues as well as drugs. The objective of this center is to provide information to maintain health, to provide basic facilities for estimation of body mass index, recording of blood pressure, detection of blood group, estimation of hemoglobin level, random blood glucose level etc. and to be able to identify or give an early indication of probable health related issues.

Dr. Pavan Udavant, Co-ordinator of DHIC explained the objectives, activities and facilities available in DHIC.

DHIC inauguration was followed by a short session of launching/unveiling of the first issue of Health Bulletin published by DHIC. Chief guest of the inauguration function Mr. Sanjeev K. Mahuli unveiled the bulletin.

On the occasion of the inauguration of DHIC, a seminar sponsored by Abbott Healthcare Pvt. Ltd. on the topic skin care was organized which was followed by free skin care and dermatology check up of students and staff members of MET IOP by Dr. Ketki Gogte (Dermatologist and Cosmetologist). Abbott Healthcare Pvt. Ltd distributed free medicines to all who participated in skin care camp.

Hon. Shefali Bhujbal and Prin. Dr. Sanjay Kshirsagar welcome the guests and Dr. Pavan Udavant presented vote of thanks.

Head of all Institutes, HOD'S, officials of different Departments, staff members and students were present in large number for the inauguration function.
