

FY B. Pharmacy Induction 2015

Report of FYB Pharmacy Induction Programme 2015

MET'S Institute of Pharmacy had organized an induction programme for the newly admitted students of the B. Pharmacy which included various sessions in order to introduce the students to the Pharmacy profession as well as to motivate them and inspire them for their overall development.

The induction program was scheduled for three days and the theme for all three days was different the brief report of all three days of the induction program is as follows

Day 01: Touching the basics

First day of the induction was specially scheduled to include sessions that would highlight the importance of branches basic sciences in pharmacy curriculum. Three sessions i.e. a session each for Physics, Chemistry and Biology were delivered respectively by Prof. Vinod Khairnar, HOD Physics, MET-IOE; Dr. Anwar Shaikh and Dr. Pavan Udavant.

The objective for these sessions was to brush up the basics or fundamentals and to motivate the students to recollect their basic knowledge which has application in Pharmacy curriculum.

Day 02: Personality Development

Second day of the induction program began a session on the Goal setting delivered by Prof. Vasudev Sawant, Head Counseling department, MET-BKC who interacted with the students and inspired along with the awareness towards the importance of goal setting and ways to accomplish it.

Second session of the day was delivered by Prof. Avinash Bhutada from SNJB'S DF Lodha Pharmacy college Chandwad, who won the hearts of students with his unique way of inspiring and motivating the audience. The session was specially scheduled after the instructions from Prin. S.J. Kshirsagar and the topic was social responsibility.

The objective of the session was to sensitize the first year students in their early days to the institute on various social issues and to motivate them for social contribution.

The second day of induction program was concluded with the interactive session by Mr. Deepak Vartak who discussed an importance of Soft skills.

Day 03: About the profession and MET-IOP

The last day of the induction program was scheduled for both parents as well as students of the first year B. Pharmacy.

After the welcome Prin. R. S.J. Kshirsagar presented key note address and discussed the vision & mission of the Bhujbal Knowledge City and explained various activities conducted at the institute. A key note by principal sir was followed by a session by Dr. Anwar shaikh who discussed the current scenario of Pharmaceutical industries not only in India but around the globe.

In another session Prof. Nilima Thombare explained the different opportunities in Pharmacy.
