

CSR Cell of Department of Mechanical Engineering, MET BKC IOT-P, Nashik observed Van Mahotsav 2017 (1st July- 07th July 2017) in association with Forest Department, Nashik on 1st July 2017

Trees plantation drive on 1st July 2017 has been held at the Kakad Mala, Makhmalabad, Village by Department of Mechanical Engineering, MET BKC IOT-Polytechnic in association with Divisional Forest Office (DFO) where avenue plantation drive both sides of road was covered up. On this occasion Diploma students of Mechanical Engineering are held awareness campaign on local level to promote free circulation of trees, forest conservation, conserves soil deterioration, etc.

Glimpses of “Tree Plantation” on the occasion of Van Mahotsav-2017 at Kakad Mala, Makhmalabad, Nashik

Trees contribute to their environment by providing oxygen, improving air quality, conserving water, preserving soil, and supporting wildlife. During the process of photosynthesis, **trees** consume in carbon dioxide and produce the oxygen we breathe. **Trees** are an **important** part of the water cycle.

SYME 1 Diploma Students of Mechanical Engineering, MET BKC IOT-Polytechnic along with Staff Coordinators Prof. N O Warbhe, Prof. S D Sonawane, Prof. B K Khatale (Lecturer in Mechanical Engineering) and Mr. V G Dhanwate (Technical Assistant) on the occasion of Tree Plantation during Van Mahotsav-2017.
