REPORT ON HOSPITAL VISIT TO
LOKMANYA HOSPITAL, NASHIK

MET's Institute of D. Pharmacy has organized Hospital Visit at “**Lokmanya Hospital, Nashik**” on 5th of May 2022, Thursday for Second year diploma students. In that our students observed various departments & facilities provided by hospital like OPD, Admin Dept., Reception, NICU, Digital X-Ray Unit, Operation Theater, ICU, Dialysis, 2D Echo & Sonography, Burn Unit, Cath lab. Also different diagnostic tools and diagnostic reagents like centrifuge machine, cell counter & pathological microscope were well explored to students along with demonstration by respective department head.

The hospital visit study was successfully completed due to the cooperation of Dr. S.D.Shinde who is Director of that hospital & Mr. Atul Dhole, Relationship officer who granted permission for the students to visit the hospital & giving brief introduction about hospital as well shared their knowledge and guided the student. The hospital visit was organized & made successful by Prof Amol V. Kotkar under the guidance of Principal Dr. Rizwan Shaikh
