

TREE PLANTATION-2018

Bhujbal Knowledge City, MET's Institute of D-Pharmacy, Adgaon, Nasik successfully completed the event of Tree Plantation programme govern by Government of Maharashtra at Hanuman Nagar, Odha on 10th July 2018.

Tree are the foremost source for producing the oxygen in environment, they help to reduce the level of CO₂. As we all know that the whole world is facing the problem of global warming & to recover from such problem planting the trees is becoming one of the mostly important aspects today.

All were happy after the tree plantation event was finished, because it really felt great to do positive for the nature. All the students were very enthusiastic & thoroughly enjoyed the planting process. Tree planting event connected the students to the benefits of trees & fostered environmental sensitivity in them. It also brought them closer to the environment.

It is hoped that in the coming years, the children not just plant more & more trees but also take care of them, watch them grow & be able bask in their glorious beauty.

Limit your need, minimize your greed, sow a seed, let the earth.

Principal Dr.S.J. Kshirsagar & Prof.M.R.N. Shaikh advised the volunteers to think differently for the society to make positive changes & to make improvement. For that Prof.Amol V. Kotkar took efforts & arranged successfully.
