Pharmacist Day 2021

Pharmacy: Always trusted for your health

25th September is celebrated as World Pharmacist Day globally as per the directions of the International Pharmaceutical Federation. The slogan for this year is “**Pharmacy: Always trusted for your health**” and the day was celebrated with huge enthusiasm by the students of MET'S Institute of D.Pharmacy, Bhujbal Knowledge City with the active involvement of the students of D. Pharmacy. Efforts were taken to involve the Pharmacy professionals in the Pharmacist day celebration.

Thank You Pharmacist

In a unique activity of its kind Students of the Alumni association of the Institute Facilitated Retail Pharmacists of the city by offering them Thank You Letter for their tireless service and active involvement in the patient care by drug distribution. Retail Pharmacy Professionals were overwhelmingly surprised and satisfied by the felicitation offered to them by budding Pharmacists of MET'S Institute of D.Pharmacy.

Principal Dr. MRN Shaikh inspired and guided the activities which were coordinated by Prof. Latesh P. Patil and Prof. Smita Rupvate. All students and staff members took efforts for the successful execution of the program.
