

Activity Report

Activity On Group Planning , Co-ordination

MET'S Institute of Pharmacy had organized an group activity for second year D. Pharmacy students which included a treasure hunt activity in order to introduce students about group planning , group co-ordination . The objective of the activity is to engage students in group planning and coordination.

Participated students

- 1) Group I : Sanket Amrutkar , Ruchika Ahire and group**
- 2) Group II : Mayur Amrutkar , Chetana yeole and group**
- 3) Group III : Rushikesh Gite , Vaishnavi Ipar and group**

Response of students :

All the students actively participated in activity . Few students shared their experience of activity . Overall response of students was nice.
