AS SHARP AS YOU CAN GET

Institute of Engineering

Mechanical Engineering Department

Mechanical Engineering Students Association
(MESA)

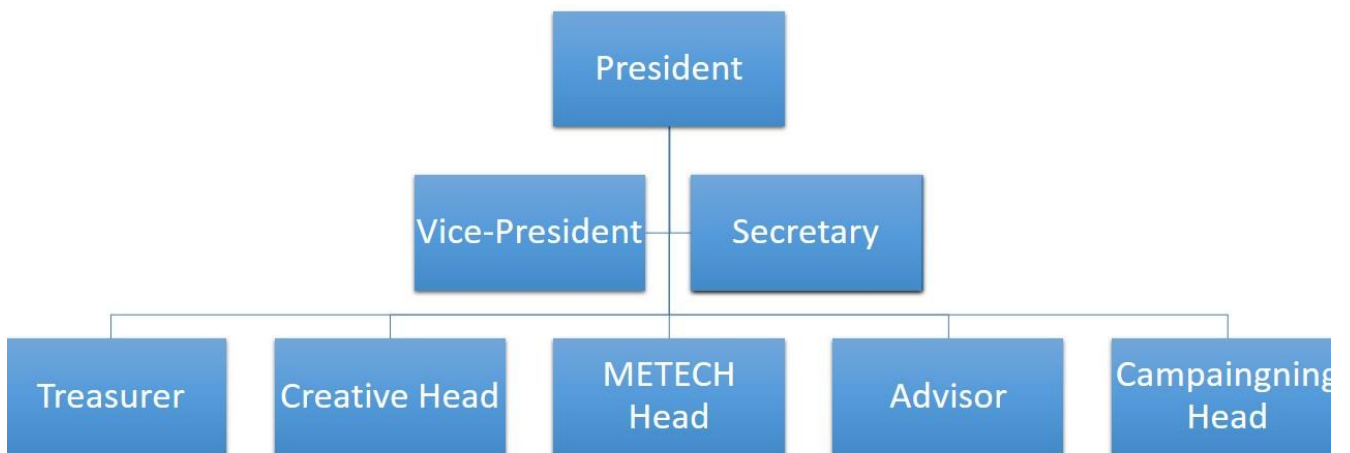

Overview:

The Mechanical Engineering Student Association (MESA) is a committee formed by the students and for the students in MET Institute of Engineering, Mechanical Engineering Department. Built to provide a platform for overall development of students in technical and non-technical fields through events and activities organised at Institute as well as Department level.

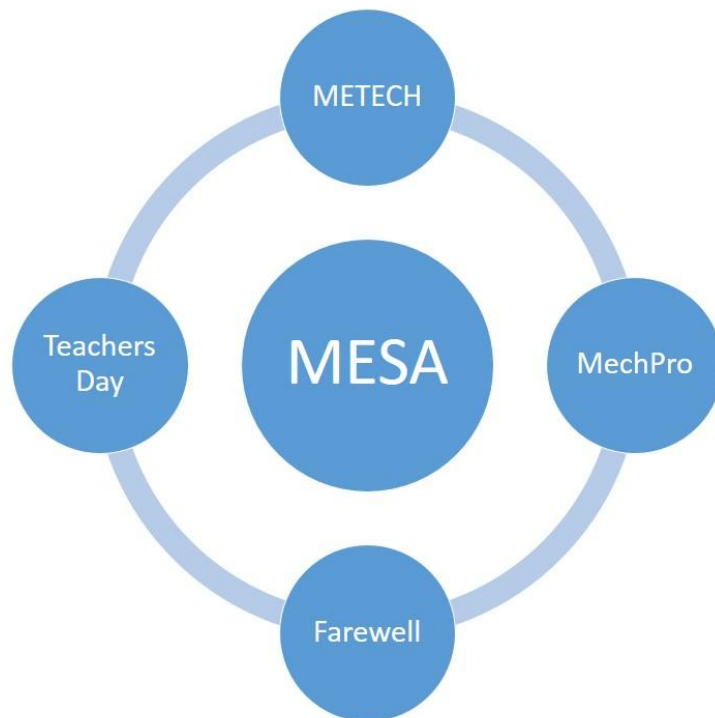

Objectives:

- To develop Leadership qualities among students.
- To develop management skills among students.
- To let them experience resource handling.
- To develop event management skills of students
- Develop communication skills through campaigning and sponsor handling
- To develop and nurture creativity among students through various events
- For overall development of students in fields like technical, cultural and sports.
