गणपती मूर्ती संकलन मोहीम २०१७.

NSS volunteers from MET'S Institute of Pharmacy went on a drive for the collection of idols of lord Ganesha on the occasion of अनंत चतुर्दशी at the banks of river Godawari near Dasak Ghat, Jail road, Nashik Road on Tuesday 5th September 2017. Our students collected more than 700 idols and could create awareness amongst the civilians to prevent the river pollution. Local children who used to pollute river by immersion of idols in the river were also inspired from the activity and joined us for the mission.

Principal Dr. Sanjay J Kshirsagar inspired and guided the students. NSS Program Officer Dr. Pavan B. Udavant coordinated the event with the help of Mr. Rajesh Badode and Mr. Siddhartha Kharat.
