

Department of Electrical Engineering, MET BKC IOT-P, Nashik organized a Workshop on “Arduino UNO Programming & Applications” on 2nd & 3rd Sept 2017 (AY 2017-18)

Objectives of Program: [1] To build interest in microcontroller and improve self confidence in practical Electronics.
[2] To impart knowledge about assembly language programs of Arduino.
[3] Give an understanding about the concepts and basic architecture of Arduino.

Resource Person: Prof. K R Bhagat, Asst. Professor at MET’S Institute of Engineering, Nashik.

Beneficiaries: Third Year Diploma Students of Electrical Engineering.

Venue: Computer lab (IOE)

Coordinator: Prof. S R Ghuge, Prof. S U Borade, Lecturer in Electrical Engg. & Coordinator of Workshop Committee.

Glimpses of Workshop on “Arduino UNO Programming & Applications”
