## About Mumbai Educational Trust (MET) :

Mumbai Educational Trust (MET) is an Educational Trust which has been established in 1989. It has developed a multi-disciplinary educational complex at Bandra Reclamation, Mumbai, which offers AICTE, approved educational programs in areas of Pharmacy, Information Technology and Management. Over the years it has developed rich intellectual capital, reaching out to thousands of students and professionals engaged in the service of industry, research and academics both in India and abroad. Driven by the social commitment of the promoters, reaching out to the rural areas of the state of Maharashtra, MET has started up its Educational complex Bhujbal Knowledge City at Nasik in June 2006. It offers various programs in the areas of Management, Pharmacy, and Degree and Diploma in Engineering & Technology. METs exclusively meant for the academic and administrative activities of diploma courses. The institute is proud to have international standard laboratories for all its stream. In order to meet growing demand of Technical Man Power, MET's Institute of Technology Polytechnic Nasik has been already started Second Shift of Polytechnic with Mechanical, Civil and Electrical branches in A.Y.2012-13.
