SPARX-2016

SPARX is a state level event organized by the department of MCA every year since 2010. It is a technical event which consists of various competitions and activities related to technologies, non-technical and social.

This year SPARX-16 was held on 16th and 17th September. The theme of the event was Olympics. The students of MCA actively participated in bringing the sponsorship, getting more registrations, arranging the competitions, preparation of inauguration, smooth conduction of event, to make this event successful. Participants also registered online through http://mcasparx16.weebly.com for the various events of the SPARX.
