**Detail of Program:** The Institute-Level Avishkar Research Competition 2024-25 was organized by MET's Institute of D Pharmacy (B. Pharmacy Affiliated to DBATU). Competition was held on 16/10/2024 with great enthusiasm and participation from B Pharmacy students. The event aimed to foster a spirit of research, innovation, and academic excellence among the students. In this year, total 16 research entries were submitted by students from diverse discipline backgrounds, showcasing a wide range of research topics. Among them 2 posters were selected from each category for zonal level Avishkar competition, according to the guidelines by DBATU university, Lonere. During competition the expert panel of judges, comprising esteemed faculty members and researchers, assessed and evaluated the entries. Two research posters from each discipline stood out for their exceptional quality and innovation. Apart from, in this year institute decided to give the trophy of "Avishkar of the year" to the best project. This poster presented innovative research findings with clear visual representation, leaving a lasting impression on the judges.
