## ABOUT INSTITUTE OF MANAGEMENT

In just few years MET's Institute of Management (IOM) Bhujbal Knowledge City (BKC) Nashik, has evolved from a fledgling enterprise to leading school of management. It all started with the realization that there was need to integrate diverse streams of knowledge and expertise meaningfully, with industry and disseminate advanced knowledge of management so as to meet challenges of future.

It is obvious that only having vision is not enough. Quality education is the decisive factor.
