- To inculcate leadership qualities in the students to develop them as responsible pharmacy professionals.
- To create a competent manpower equipped to deal with professional challenges.
- To strengthen the bond between pharmacist and the society by disseminating the professional value.
- To instill in the student skills of life-long learning and ethical behavior.

From Principal Desk

The word 'Deepawali' means rows of lighted lamps. It is a Festival of Lights, we celebrate it with joy. After this festival we welcome you to **MET Insight**. An instance of appreciating the things, especially through intuitive understanding. The often heard phrase by Anthony Brandt is **'The key to success is often the ability to adapt'** in real sense it means **'one who adapts the best, the one who is best at handling change'**. It is our belief that every student has an unending storehouse of the talent and when nurtured properly, we can help bring out the best in that individual. For achieving the best in the student, in order to encourage good practices and to evaluate their effectiveness as well as to motivate them we are presenting to you all **MET Insight** which involves Achievements and honors of Students & faculty, Various Activities carried for Students by students, Publications by students and faculty. I expect that our students will become well - rounded adults, contributing to our community as a result of their nurturing at Bhujbal Knowledge City, MET's Institute of Pharmacy.

With Regards,

Dr. Sanjay J. Kshirsagar

About METInsight

It gives us great joy to proclaim the debut of the METInsight Newsletter. We're excited to release MET Insight's first ever issue, covering the summer and fall of 2022. The mission of the MET Insight Board is to keep the public abreast of developments in the pharmaceutical sciences, both inside and outside the Academic Boundaries of Institute. Information about recent achievements, awards, research, and other advances in MET IOP and present in the pharmaceutical area will featured in this and upcoming issue's of METInsight.

Team MET Insight is a group of people working to create a top-notch newsletter. Our goal for future editions is to provide readers with information about upcoming conferences, funding opportunities, and job openings in the pharmaceutical sciences. It will have a profound effect on the readers all at once.

We appreciate the support of our Management, Principal of the Institute, the faculty and staff, the members of the Editorial Board, and the students who make up our hearts. To the readers, we extend our deepest gratitude for your continued support of this issue.

Thank you,
