Lack of knowledge leads to indiscretion;
Indiscretion leads to lack of ethics.

Lack of ethics leads to absence of direction and momentum;
Absence of direction and momentum result in bankruptcy.

Such is the havoc caused by the lack of knowledge.

Our Faith

न चौर हार्यम् नच राज हार्यम् ।
न भ्रातृभाज्यम् नच भारकरीं ॥
अये कृते वर्धते एव नित्यम् ॥
विद्याधनं सर्वधनं प्रधानम् ॥

Knowledge can neither be stolen by a thief,
nor snatched by a king.
It is indivisible unlike ancestral property,
it never burdens the bearer,
it multiplies manifold when offered to others.
Knowledge is the supreme form of wealth.

Our Vision

To shape professionals, to conquer the present and future challenges
to the socio economic fabric of our society,
by institutionalising search, development, research and dissemination of
relevant knowledge through structured learning systems.

Our Mission

To evolve, develop and deliver dynamic learning systems to equip professionals
with conscience and commitment to excellence and courage
to face business challenges.

From Principal's Desk

Dear Community,

I am excited to wish our children, staff, and family a happy Diwali. Diwali, the Festival of Lights, symbolizes knowledge, wisdom, and light triumphing over darkness in our culture.

In honor of Diwali, let us consider how our devotion to education is similar. Education shines like a lamp, eradicating ignorance and building a brighter future.

Diwali reminds us that knowledge transcends borders and backgrounds. We can appreciate the richness of diversity in our educational community. Embrace cultural diversity in our school and college to learn about and celebrate diverse customs outside textbooks.

Let us inspire our pupils' interest and love for learning in the spirit of Diwali. Celebrate the event and be inspired to study harder. Let students share ideas and knowledge in the collaborative and joyful spirit of Diwali.

Please reach out to fellow students and staff to build unity and togetherness. Diwali is more than a festival—it represents our educational principles of knowledge, diversity, and community learning and growth.

May Diwali bring joy, prosperity, and a greater understanding for education's transforming power.

Wishing you all a luminous Diwali!

Students were allowed to form a team of no more than four members. An unknown drug sample along with different cases like the patient being diabetic, the age being 4 years, etc. was given to each team. Complete freedom for the selection of dosage form and excipients was given to the students. On the next day, students were asked to give justification for the prepared dosage form in the classroom. Based on the formulation and justification, the two best teams were selected as the 'winner teams'.
