

# MET'S Institute of Pharmacy

## ACTIVITY REPORT

Name of Activity- "MET-Rxplore-2025"

Day and Date- Saturday, 08/03/2025

Courtesy- MET IOP BKC

	Staff & Student	Class and Course
Participants	548	3 <sup>rd</sup> and 4 <sup>th</sup> year Pharmacy and D.Pharm students

### Details of the Program

The 10th MET-Rxplore, an annual undergraduate research conference, was successfully held on March 08, 2025, at the Mumbai Education Trust's Institute of Pharmacy, Bhujbal Knowledge City, Nashik. The conference commenced at 10:30 am with a warm welcome. Dr. Umesh Laddha, who introduced the MET Institute of Pharmacy, followed by an overview of MET-Rxplore by Dr. Anjali Tajanpure. Principal Dr. Sanjay J. Kshirsagar delivered the keynote address, shedding light on emerging trends and challenges in pharmaceutical research and development. The awardees for various events were felicitated by the chief guest, Dr. Shrinivas Savale, Trustee Hon. Shri Samir Bhujbal, and Principal Dr. Sanjay J. Kshirsagar.

The Chief Guest, Dr. Shrinivas Savale, graced the occasion with his presence and shared valuable insights. He spoke about the process of research from its inception to its application, highlighting the importance of perseverance, innovation, and collaboration. His words of wisdom inspired the young researchers and provided them with a deeper understanding of the research landscape.

After the formal inaugural program, the poster evaluation session commenced. A panel of 26 esteemed evaluators from industry and academia were invited to evaluate 123 posters presented by undergraduate researchers. Following a rigorous evaluation process, 14 teams were shortlisted to present their work orally. These teams showcased their research findings through concise and engaging presentations, demonstrating their expertise and passion for pharmaceutical research. The conference concluded with a vote of thanks by Dr. Gitanjali Deokar.

The 10th MET-Rxplore was a resounding success, providing a platform for undergraduate researchers to showcase their work and learn from experts in the field.

### Program Objective Achievement

PO1	Pharmacy Knowledge	✓	PO7	Pharmaceutical Ethics	✓
PO2	Planning Abilities	✓	PO8	Communication	✓
PO3	Problem Analysis	✓	PO9	The Pharmacist and society	✓
PO4	Modern Tool Usage	✓	PO10	Environment and Sustainability	✓
PO5	Leadership Skills	✓	PO 11	Lifelong Learning	✓
PO6	Professional Identity	✓			

Objective of the Activity	Inculcate the research sense in the UG students and encourage them to think, identify the problem, prepare, execute and present the scientific research.
Benefits of the activity	It promotes research development activity at undergraduate
