

Policy to identify Low performers and Advanced learners

Newly admitted students categorised in Category A (Advanced learners), B (Average performers) and C (Low performers).

Criteria to identify advanced learners and low performers: Advanced learners and Low performers are identified before the commencement of Internal Examination, at the entry level by considering their marks obtained in MHT-CET.

The marks obtained by the students in MHT-CET are converted to percentage and they are categorized into A, B and C as follows

“A” category – 60 and above

“B” category – 40-60

“C” category – Below 40

During the internal theory and practical sessional examination, faculty identifies advanced and slow learners and performance of the students in continuous assessment of the semester.

Measures for low performers:

Low Performers are supported for improvement through following measures

- 1. Conduction of Tutorial classes:** Major or critical topics repeated by faculty members during tutorial classes. Student can also make clear their queries on individual basis during tutorial classes.
- 2. Counselling by mentors/counsellor (Psychosocial):** Mentors (faculty of institute) of low performers identify their learning needs and provide the guidance to improve their academic performance of low performers. In addition, special counselling (Psychosocial) of students is also carried out whenever required with the help of counselling head; Mr V M Sawant working on campus level.

3. **Conduction of Improvement sessional exams:** Extra sessional (Improvement sessional) exam arranged for those students who are unable to score passing marks in previous semester.
4. **Question paper solving:** FAQs (frequently asked questions) from university question papers discussed by faculty with slow performers and also model answers provided as per the need of students for solving question papers.

Measures for Advanced learners:

Advanced learners are motivated for excellence through following measures

1. **GPAT practice test:** The practice test series online/offline for GPAT is conducted.
2. **MET Scholarship:** Merit and Merit cum Need based scholarships are provided to the students (UG and PG) worth Rs. 7,500/- to 12,000/- per student per year.
3. **Research Guidance:** Institute promotes Students preparing for GRE by providing the technical guidance and research facilities to fulfil the criteria of research skills considered for admissions at foreign universities; Students are also promoted to publish or present their research work at different seminars and conferences.
5. **Counselling by mentors/counsellor (Psychosocial):** Mentors (faculty of institute) of these students identify their educational/learning needs and as per the need regular guidance provided by mentor for academic growth and overall development of Advanced learners. In addition, special counselling (Psychosocial) of students is also carried out whenever required with the help of counselling head; Mr V M Sawant working on campus level.
4. **Enrichment of research skills:** Students are encouraged to participate in seminars and conferences to present their research work and also for industrial training for updating the technical knowledge.

The advanced learners are appreciated in the form of following awards:

1. **MET RATNA Award:** Academic Topper of Final Year from UG and PG program are awarded by MET RATNA at the annual function MET UTSAV every year.

Marks: 30 S. Y. B. Pharm SEM-IV

Subject (Pattern): Pharmaceutical organic chemistry-III(2019)

Q. 1. Short answer questions (answer any five)

2 marks × 05 = 10

	Questions	Marks	KL	CO
1.	Write any one reaction for synthesis of pyrrole	(2)	K3, K4	1
2.	Draw structure of Thiophene and Furan.	(2)	K3, K4	3
3.	Differentiate between chiral pool and chiral auxiliaries.	(2)	K2	2
4.	What is a chiral molecule? How to find whether a molecule is chiral or not?	(2)	K1	1
5.	Differentiate between Stereospecific and stereoselective reactions	(2)	K2	1
6.	What is Atropisomerism?	(2)	K1	2
7.	What is racemic modification and resolution of racemic mixture?	(2)	K1	2

Q. 2. Long Answer (Any One Out of Two)

10 marks × 1 = 10

	Questions	Marks	KL	CO
1.	Explain conformational isomerism in cyclohexane with energy profile diagram	(10)	K1, K2	3
2.	Enlist the methods of resolution of racemic mixture, explain any 04 methods with example.	(10)	K1, K2	1

Q. 3. Short Answer (Any two out of Three)

05 marks × 2 = 10

	Questions	Marks	KL	CO
1.	Explain conformational isomerism in n-Butane.	(05)	K1, K6	1
2.	What is asymmetric synthesis explain its types with suitable examples	(05)	K5, K2	1
3.	Explain one synthesis and two reactions of Furan	(05)	K1, K6	1

Note: CO – Course outcomes i.e. CO1, CO2, CO3, etc., KL – Knowledge Level (Kindly mention the knowledge level as K1, K2, K3 etc.)
