

Stakeholders Feedback Report 2023-24

MET's Institute of Pharmacy, Bhujbal Knowledge City, Nashik is self-financing institute permanently affiliated to SPPU, Pune and follows curriculum prescribed by Savitribai Phule Pune University, Pune. The curriculum is enriched by taking into consideration the need base assessment, demand of society, suggestions from stakeholders and guidelines of regulatory bodies.

In order to bridge the gap in between curriculum designed and industrial requirements, we have identified curricular gaps by taking feedback from students and different stakeholders

1. Students (63):

S. N.	Parameters	Good	Average	Need improvement
1	Syllabus effectiveness in terms of content, knowledge, etc.	56	07	00
2	Problem solving ability through syllabus	48	13	02
3	Industrial orientation of syllabus in perspective of technical, regulatory, analytical, etc.	59	04	00
4	Practical skills development and knowledge gain through experiments in laboratory?	58	04	01
5	Syllabus effectiveness for personality development in terms of soft skills, professional etiquettes, communication skills, etc.	53	05	05

Institute has conducted many guest lectures by industry experts on various topics. Conferences and webinars are conducted to fulfill curricular gaps and make students more competent for career in pharmaceutical industry. Institute also has arranged extra-curricular activities like dance, singing, elocution competition, debate club, Drawing, Sketching, painting best out of Waste, Rangoli etc. Institute is also motivating students for research and has conducted UG and PG research conference 'MET-Rxplore-24' on 23/03/2024.

2. Teachers (38):

S. N.	Parameters	Excellent	Good	Need improvement
1	Syllabus effectiveness in terms of content, knowledge, etc.	36	01	01
2	Problem solving ability through syllabus	32	06	00
3	Industrial orientation of syllabus in perspective of technical, regulatory, analytical, etc.	28	08	02
4	Practical skills development and knowledge gain through experiments in laboratory?	30	07	01
5	Syllabus effectiveness for personality development in terms of soft skills, professional etiquettes, communication skills, etc.	28	09	01

For overall development of students, faculty members have provided many valuable suggestions like students to be more encouraged for soft skills, industrial visit events to improve presentation skills etc., Students should be guided by industry experts from pharmaceutical field and more focus should be given on output based learning, practical based learning, which may prove beneficial for overall development of students.

3. Employers (08):

S.N.	Parameter	Good	Average	Need improvement
1.	Syllabus effectiveness in terms of content, knowledge, etc.	08	00	00
2.	Problem solving ability through syllabus	06	02	00
3.	Industrial orientation of syllabus in perspective of technical, regulatory, analytical, etc.	05	03	00

4.	Practical skills development and knowledge gain through experiments in laboratory?	08	00	00
5.	Syllabus effectiveness for personality development in terms of soft skills, professional etiquettes, communication skills, etc.	08	00	00

For overall development of institute, employers have provided many valuable suggestions like guidance for career in soft skills, course for pharmacovigilance and good laboratory practices. Placement opportunities can be improved through industry and alumni contacts.

Alumni Feedback (53):

S.N.	Parameter	Good	Average	Need improvement
1.	Syllabus effectiveness in terms of content, knowledge, etc.	48	04	01
2.	Problem solving ability through syllabus	21	29	03
3.	Industrial orientation of syllabus in perspective of technical, regulatory, analytical, etc.	22	24	07
4.	Practical skills development and knowledge gain through experiments in laboratory?	34	10	09
5.	Syllabus effectiveness for personality development in terms of soft skills, professional etiquettes, communication skills, etc.	26	23	04
