Mr. Rahul Gedam, Corporate Affairs Manager, Hexagon Nutrition Private Limited.

Visit was well organized and well structured by the staff at Hexagon Nutrition Private Limited. Mr.Kulkarni and Mr.Jejurkar, Heads of analytical sections made the systematic execution of the visit. Students were divided into group of 20 each. Different analytical sections covered by students were HPLC, UPLC, GC-MS, LC-MS, FTIR, Freeze Drying Technique, Milli-q Water Purification system etc.

A small presentation giving the details of the regulatory bodies of the organization, organization structure, product range of the company was also conducted for the students by Hexagon team.

It was worth spending a day with Hexagon team. Students were well disciplined throughout the day. One page industrial visit reports were collected from the students along with students feedback forms. Students were satisfied in terms of knowledge gaining event and expected future visits to the production set up and research and development laboratories.
