CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

By the continuation with facing the same situation of Covid 19 pandemic, we are following guidelines directed by SPPU Pune, Maharashtra Government and District magistrate office Nashik to online teaching with google meet, moodle. As per guidelines, academic calendar, exam calendar are prepared for smooth conductance of the curriculum.

Time tables are provided by course monitoring committee. For the proper content delivery, separate google classrooms for each year with link for google meet for all the subjects is created to conduct lectures.

Teachers share notes in the form of soft copies like ppt, pdf or books, research /review articles on Moodle account. All notifications/ announcements are provided on moodle account. Students can easily access this moodle account through their username and password without any difficulty. Examinations are

also conducted on moodle account in the form of quiz, assignments, MCQ, etc. and also google meet is used for conducting viva and synopsis.

Evaluation of exam is made after submitting answers student can directly access their scores and generation of mark sheet.

SPPU Pune conducted the final semester examinations through online mode by providing separate username and password. Institute is conducting different online webinars, seminars, workshops, competitions on various important topics for students.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

The academic calendar is prepared with consideration to guidelines by the state government for COVID 19 and Savitribai Phule Pune University. FDP for online practicals was planned in virtue of the requirements of the pandemic situation. Competitions like UG research conference, poster, and elocution were conducted online for the overall development of students. Parent meetings, Industrial Advisory Council meetings and guest lectures were planned and conducted by using online platforms. Pharmacist day is celebrated on the 25th of September every year and was celebrated by the distribution of study material to needy students. Theory and practical sessional exams were planned by using moodle sites and google meet platforms where question papers were based on MCQ, long answer questions, and oral. Final theory and Practical exams are planned by the university and separate online platforms were used. All activities are planned by forecasting the pandemic situation. The details of plans and adherence to them are attached as files separately.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

As Prescribed University in the Course Structure, the Internal assessment is conducted in the form of

1. Continuous assessment which includes class tests, assignments, open-book tests, seminars, viva, Synopsis, etc.
2. Sessional examination (Theory and Practicals)

Mechanism

The academic calendar and examination calendar are prepared at the start of each academic year, taking into account the academic calendar and examination schedule prescribed by Savitribai Phule Pune University. The Institute's academic and examination calendar anticipates a time of internal examinations. Every semester, one or two sessional examinations are held.

Transparency

At the start of the academic year, The calendar is displayed on notice boards for students. Teaching faculty also keep track of it in their course files. The checked answer papers are shown to the students, and the subject in charge discusses the expected answers for the questions asked, as well as any queries made by the students. On the mark lists, students' signatures are then obtained

Robustness

The schedule for conducting continuous internal examination is followed according to the calendar. The subject In-charge must adhere to deadlines for the submission of question paper manuscripts, and the evaluation of answer sheets. Academic audits are also carried out.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

Program outcomes (POs) are assessed through direct and indirect assessment tools.

Direct assessment is done through the assignment of correlation levels; 1 (Low), 2 (Medium), 3 (High) for each PO with respect to each course outcome.

The indirect assessment considers various tools such as industrial visits, Industrial training, NSS- EDC activities, Grooming sessions, National Pharmacy Week Events, Students exit surveys, and Parent-Alumni surveys to achieve the POs

The final attainment levels for each PO are calculated by summing up the 80 % weightage of Direct and 20 % of Indirect assessment

Assessment of Course Outcomes (COs): Program shall have set Course Outcome attainment levels. The levels shall be set considering average performance levels in the university examination or any higher value set as a target for the assessment years. Attainment level is to be measured in terms of student performance in internal assessments with respect to the course outcomes of a course in addition to the performance in the University examination.

Target may be stated in terms of the percentage of students getting more than the university average marks in the final examination.

Attainment is measured in terms of the actual percentage of students getting a set percentage of marks.
