

# MET'S Institute of Pharmacy

## ACTIVITY REPORT

Name of Activity- Arpan Vyakhyanmala 2025

Day and Date- Thursday 09/10/2025 to 11/10/2025

| Participants | Staff & Student | Class and Course                                                                         |
|--------------|-----------------|------------------------------------------------------------------------------------------|
|              | 48+232          | Pharm.D. (SY TY and Fourth year), B. Pharmacy (SY TY and Fourth year) and SY D. Pharmacy |

MET IOP's Impact Hub/Social Services Club organized the "MET ARPAN 2025" Vyakhyanmala from 9th to 11th October 2025 in honor of the MET BKC trustees. The lecture series featured Shri Samadhan Patil, Dr. Sanjeev Shelar, and Adv. Manisha Bhamre as guest speakers. The sessions delivered valuable insights into "Management Skills & Leadership of Chhatrapati Shivaji Maharaj," the teachings of "Swami Vivekananda," and legal awareness regarding the "POSH Act."

| PO6                        | Professional Identity                                                                                                                                                                                                                                      | ✓ |       |                                |   |
| Objectives of the Activity | To instill leadership, strategic management skills, and strong moral values in students by studying the lives of iconic national figures. To educate the campus community on gender safety, institutional ethics, and legal compliance under the POSH Act. |   |       |                                |   |
| Benefits of the activity   | Enriched student leadership and character development through historical insights while fostering a safe, legally compliant campus via POSH awareness.                                                                                                     |   |       |                                |   |
