Infrastructure

The Institute of Technology- Polytechnic has its own seven (8) storied building that covers a space of more than 19,000 Sq.Mtrs. exclusively meant for the academic and administrative activities of Diploma courses and UG Courses. The infrastructure adheres to the national and international standards with hi-

tech class rooms, air conditioned seminar hall, separate common rooms for girls and boys, imported ultra modern furniture and well equipped laboratories, etc. Special facilities are provided for physically challenged students. The institute is proud to have international standard laboratories for all its streams.

FACILITIES AT INSTITUTE

LIBRARY

The Institute has a unique world class Central Library, Reading room and Departmental Library, professionally managed by highly qualified staff with ERP Library Software. A beautiful glass edifice with 750 Sq.meter area and enough seating space is available for the young and vibrant learners. It is fully air conditioned with ample number of text books, reference books, national as well as international journals and periodicals relevant to the courses offered. The internal wooden winding staircase and the ambience add to the glory of the huge beautiful library. The Library is further enhanced by collaboration with British Council Library. The students have an access to books, magazines, CD's, DVD's of BCL. The tie- up is very vast in the sense that the students of BKC also get an advantage of the academic initiative of the British Council.

TRANSPORTATION FACILITY:

MSRTC is plying regular bus services to our College campus from different parts of Nashik district. The timing of the bus services suit the requirements of the College Time Table and also as per convenience of students.

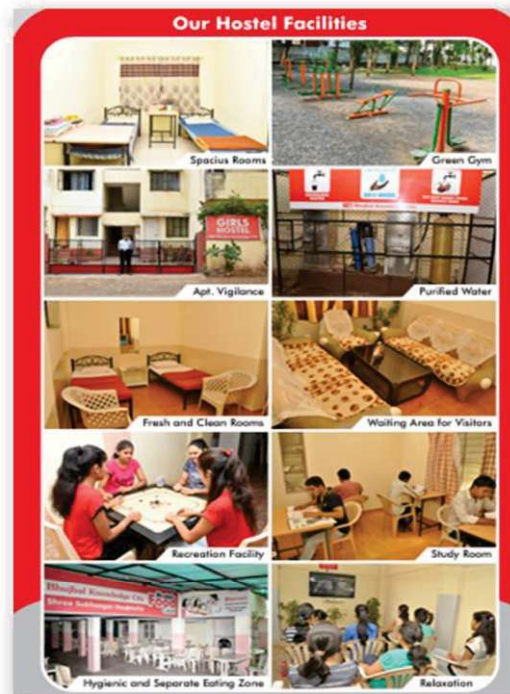

The College also provides Private bus facility for students from different locations of Nashik who are interested for the same at concessional charges.
