# Department of Computer Engineering celebrating

26th National Technology Day

An **E-Quiz** is organized on the occasion of **26th National Technology Day**
under
Student's Chapter of **Institution of Engineers (IEI) 422003/METI**

Objectives:

1. To make participants understand about National Technology Day – its significance.
2. To make participants understand that there is difference between science, technology and engineering.
3. To make participants understand that science, technology and engineering must go hand-in-hand for successful engineering and sustainable growth of society.
4. To make participants understand the multidisciplinary nature of engineering education as it is one of the point in NEP-2020.

Details of the programme:

1. **Title of the Quiz:** २६व्या राष्ट्रीय तंत्रज्ञान दिवसानिमित्त तंत्रज्ञानावर आधारित ई प्रश्नमंजुषा
2. **Mode of Conduction:** *Online mode* by using Google Forms
    a. **Link for E-Quiz** - https://forms.gle/hq6tGuxhVX3BUyHs8
3. **Duration of the quiz:** Friday, 10th May 2024 to Friday, 24th May 2024
4. **Participants:** Students from different engineering and polytechnic institutes and our stakeholders and Total number of participants (beneficiaries) are **152**.
5. **Recognition provided:** An ***e-certificate*** of participation is sent to each participants (Autocrat add-in is used).
6. After the quiz ended the scores and answer key was released using the feature of Google Forms.
