

Department of Computer Engineering celebrating
52nd World Environment Day

An **E-Quiz** is organized on the occasion of **52nd World Environment Day**
under
Student's Chapter of **Institution of Engineers (IEI) 422003/METI**

Motive:

The urgency for environmental protection and climate change mitigation has never been greater, as our planet faces unprecedented challenges due to human activities. It is crucial that we take immediate action to safeguard our natural resources, reduce pollution, and combat global warming.

The youth, especially *students*, hold a pivotal role in this mission. As the torchbearers of the future, they possess the power, creativity, and energy to drive meaningful change. By embracing sustainable practices, advocating for green policies, and participating in environmental initiatives, students can lead by example and inspire others to follow.

This responsibility is not just about preserving the beauty of our world, but about ensuring a liveable, healthy planet for future generations. Every small action counts, and together, we can create a ripple effect that transforms our world into a more sustainable and resilient place.

Let us rise to the challenge and commit to being stewards of the Earth, recognizing that our choices today shape the legacy of tomorrow.

Objectives:

1. To make participants to know about World Environment Day and its significance.
2. To give participants general information of about Environment and Ecosystem.
3. To make participants aware about ***Protection of Environment***.
4. To make participants aware about ***Climate change and its consequences***.
5. To make participants aware about ***Climate change and its mitigation***.
6. To make participants aware about ***Household, Individual and Community Practices for Protection of Environment***.
7. To make participants aware about ***Initiatives taken in Bharat in last decade for Mitigation of Climate Change and Protection of Environment***.

Details of the programme:

1. **Title of the Quiz:** Online Quiz on 52nd World Environment Day
2. **Mode of Conduction:** *Online mode* by using Google Forms
 - a. **Link for E-Quiz** - <https://forms.gle/3why2p2nJhGXGQcp9>
3. **Duration of the quiz:** Friday, 31st May 2024 to Wednesday, 12th June 2024
4. **Participants:** Students from different engineering and polytechnic institutes and our stakeholders and Total number of participants (beneficiaries) are **460+**.
5. **Recognition provided:** An ***e-certificate*** of participation is sent to each participants (Autocrat add-in is used).
6. After the quiz ended the scores and answer key was released using the feature of Google Forms.
