

ACADEMIC YEAR: 2024-25

Report on Online Alumni Meet

Date: Monday, 12th August 2024

Time: 10:00 am onwards

Medium: Google Meet

Link: <https://meet.google.com/gmm-tema-gfm>

The Department of Computer Engineering at MET's Institute of Technology-Polytechnic, Nashik, hosted an Online Alumni Meet on 12th August 2024. This virtual gathering provided an excellent opportunity for alumni to reconnect, share their experiences, and discuss the latest developments in the field of computer engineering.

Welcome Address and Presentation:

The meeting began with a warm welcome from Mr. S. P. Kholambe, Head of the Department. He expressed his gratitude to the alumni for their continued support and participation. Following the welcome, Mr. Kholambe gave a detailed presentation covering several key areas:

1. Departmental Intake and Admission Status
2. Departmental Vision, Mission, PSO's, and PO's
3. Program Curriculum and Teaching-Learning Process
4. Faculty Information and Contribution
5. Industry Interaction
6. Student Performance and Achievements
7. Future Plans

Alumni Suggestions:

The alumni actively participated in the discussion, providing valuable suggestions to further enhance the department's offerings:

1. Chetan Chopda (2009) recommended initiating the recruitment process on a smaller scale to better manage and gradually expand opportunities.
2. Kalyani Rajendra Chaudhari (2010) emphasized the need to encourage students to pursue higher education to remain competitive in the job market.
3. Kishan Rajendra Pawar (2011) highlighted the significance of final year projects and team-based activities as crucial elements of practical learning.
4. Pritish Chandrashekar Bhavsar (2012) suggestion on AI and robotics technologies.
5. Darshan Rajendra Mestry (2013) suggested placing a stronger emphasis on foundational concepts within the curriculum to ensure a solid understanding.
6. Tanmay Govind Phalke (2018) advised incorporating guidance and resources to prepare students for competitive exams, broadening their career prospects.
7. Vedant Prasahant Jajoo (2019) stressed the importance of staying updated with the latest technologies to keep pace with the fast-evolving industry.
8. Pranali Dipak Jahagirdar (2022) pointed out the necessity of continuously upgrading knowledge in emerging industry trends to stay relevant.

The meet concluded by Mr. D J Ugale with an acknowledgment of the valuable contributions made by the alumni. Their suggestions were noted and will be considered for implementation to further enhance the department's academic offerings and industry relevance.

Coordinator:

Mr. D J Ugale,

Chief Coordinator:

Mr. S P Kholambe, HOD-Computer Engineering, MET IOT-P, Nashik

Convener:

Dr. R S Narkhede, Principal, MET's IOT-P, Nashik
