

# Certificate of Appreciation

Congratulations for contributing to **World Environment Day 2024** through your event or activity.  
The United Nations Environment Programme (UNEP) expresses its appreciation to

**MET's Institute of Technology, Polytechnic**

from

**Aurangābād, Mahārāshtra, India**

for joining the **#GenerationRestoration** movement and making World Environment Day 2024 a huge success. Together, we can restore land, build drought resilience and combat desertification.

\*UNEP is not in a position to verify the accuracy of information provided about events and activities for World Environment Day

**Our Land. Our Future**  
We are  
**#GenerationRestoration**
