

## Details of Industry-Institute Interactions

### Objectives of Industry-Institute Interaction:

Better interaction between Technical Institutions and industry is the need of the hour. This will have great bearing on the Diploma Curriculum, exposure of industrial atmosphere to Diploma students and subsequent placement of students. With fast growing need of the industries for man power with specialization in specific areas it became necessary to have proper interaction with the industry.

Thus, the basic objective of Mechanical Department through the Industry-Institute Interaction is to bridging the gap between industry and the academic institute through MOU's.
