“Durg Sanskruti-Work Culture from Forts Cultures”

Glimpses of FDP Conducted on 28th October 2023

Gokhale's Advanced Training Institute (GATI) is one of the premiere training institutes, offering several training programs to students, faculty, and corporations. They focus on the capacity building of individuals through behavioral and technical skill development. To date, they have been successful in training more than 32,000 individuals. Recently, they designed an innovative workshop on the theme “**Durg Sanskruti: Work Culture from Forts Culture**”. The significance and application of the work culture values and ethics upheld in our Forts are highlighted in this particular subject! They have conducted more than 120 seminars throughout Maharashtra and have touched over 10,000 attendees thus far. Given the significance of the topic, we organized a Faculty Development Program (FDP) with Shri Devdatta Gokhale, Director of Gokhale's Advanced Training Institute (GATI), Jalgaon, speaking on the subject of "Durg Sanskruti: Work Culture from Forts Culture on Saturday, 28th October 2023.

Basic Objectives of the FDP: This specialized module of FDP helps to Faculty and staff;

- [1] To emphasize the importance and implementation of the work culture principle and attributes at the workplace.
- [2] To emphasize the importance and implementation of the ethics practiced on our Forts.
- [3] To gain an insight into the subject through the forts architecture, historical events, and aspects.
